

## 1.0 Introduction to CME® Give-Up Payment System (GPS)

The Give-Up Payment System (GPS) provides clearing firms with the ability to track give-up agreements and payments. The system was implemented on October 1, 2005.

### 1.1 Requesting Access

Access to GPS is granted through written request from an officer of the clearing member firm. To request access, complete the following steps:

- Download the *Member Firm On-Line System Access Request Form* from <http://cme4isq.cmegroup.com/clearing/files/onlineaccess.pdf>
- Complete the form and ensure that it is signed by an officer of the clearing member firm
- Fax the form to the Customer Support Group at (312) 338-2626
- Allow 48 hours to process the request

### 1.2 Connecting to GPS via CME Connect

Follow the steps listed below to connect to GPS through CME Connect. If this is your first time connecting to CME Connect, please contact the Customer Support at (312) 930-3444 and select Option 2 to obtain a new User ID and Password.

- Open your internet browser
- Log on to **CME Connect** at <http://connect.cme.com>. The Login window will display.
- *Enter* your existing **CME Connect** 'username' and 'password'.
- Ensure the **CME Portal** product pulldown option has been selected (**CME Portal** should automatically appear in the pulldown box).
- *Click on* the **Sign In** button. The **CME Application** tab will appear.
- *Click on* the **Give-Up Payment System (GPS)** application. The main **Give-Up Payment System (GPS)** screen will appear.
- Begin by *clicking on* the down arrow-key next to the **Select a Product** box to display list of products. *Click on* **Give-Up Payment System (GPS)** from this list of main product types.
- *Click on* **GO** next to the **Select a Product** box. The main menu for the contract will display.
