GENERAL NOTES

- * Fees are charged per side (both the buy and sell side) per contract.
- * CME charges fees according to the schedule above. CME has no separate Exchange fee, nor does it assess member firms an NFA fee. For information regarding NFA fees, please contact the NFA at 312.781.1300.
- * Clearing (and CME Globex fees when applicable) are charged to the clearing (carrying) firm on all give-up trades.
- * Mutual Offset (CME-SGX) trades are charged the clearing fee at the Executing Exchange only.

- There are no fees charged for expired options.
- * Clearing and CME Globex fees for CME Globex transactions are based on the combined memberships of the operator and the account owner. Please see **Note 13** below for further information.
- * Non-customer fees quoted above assume that the products traded are within the account owner's division of the B-share(s) held. If the product is outside the division of the account owner's B-share(s), the transaction will receive Customer clearing fee rates. Please see **Note 10** regarding the CME Globex fees for these transactions.
- * Fees quoted for Equity Products do not apply to TRAKRS products. Please see **Note 16** for the fee schedule for TRAKRS products.

The Floor Brokerage fee for 106.F employees is billed to that employee's clearing firm.

Fee Schedule, effective April 28, 2008

11. On a tiered basis, **clearing fees for Interest Rate Products** will be reduced for trading volumes exceeding designated monthly average daily volume thresholds. Open outcry and CME Globex volume is combined, but futures and options are treated separately. Eurodollar and Mid-Curve options are treated as one commodity.

For member clearing firm transactions, monthly volume is aggregated across accounts, within a single clearing/billing firm per commodity. Clearing Members and their related 106.I Member(s) accounts will be treated as one firm for purposes of the volume aggregation. For Rule 106.S Member Approved Funds, their associated volume will be aggregated with their related Inactive Clearing Firm. The following clearing fee discounts apply based on volume traded:

Eligible Participants	FUTURES		OPTIONS	
	Average Daily Volume Threshold (Sides)	Clearing Fee Discount	Average Daily Volume Threshold (Sides)	Clearing Fee Rate
Clearing Members/Inactive Clearing Members/Rule 106.I Members/Rule 106.S Member Approved Funds	0 - 30,000	none	0 - 15,000	none
	30,001 - 60,000	\$0.02	15,001 - 30,000	\$0.02
	60,001 - 90,000	\$0.04	30,001 - 60,000	\$0.04
	> 90,000	\$0.06	> 60,000	\$0.06

For all other transactions, volume is aggregated per account per commodity. The following clearing fee discounts apply based on volume traded:

Eligible Participants	FUTURES & OPTIONS		EUROYEN FUTURES & OPTIONS	
	Average Daily Volume Threshold (Sides)	Clearing Fee Discount	Average Daily Volume Threshold (Sides)	Clearing Fee Discount
Equity Members, Rule 106.D Lessees / Rule 106.F Employees, Rule 106.H and 106.N Firms (Open Outcry Transactions Only - Refer to Note 25), CBOE Members and Customers of Member Firms	0 - 15,000	none	0 - 1,000	none
	15,001 - 30,000	\$0.03	1,001 - 3,000	\$0.03
	> 30,000	\$0.06	> 3,000	\$0.06

Registered Market Makers' volume may be accumulated per commodity by account or across accounts within a single clearing/billing firm, at the market maker's selection. The same volume thresholds and discount schedule apply as for individual accounts above.

12. A **\$0.05 per contract** fee is charged for the exercise and assignment of options, in addition to the clearing fee charged on the resulting futures contract.

13. Clearing and CME Globex fees for CME Globex transactions are based on the combined memberships of the operator and the account owner. For example:

- * Equity member rates will apply to CME Globex executed transactions only when an equity member has executed an order for his/her own account or another equity member's account.
- * Non-member rates will apply to CME Globex executed transactions whenever a non-member has executed an order on CME Globex, even if executed for a member account.

Exceptions to this policy are as follows:

- * Individuals entering trades for member firm accounts who are bona-fide W-2 employees, Independent Contractors receiving a 1099-MISC, registered Commodity Trading Advisors (CTAs) or owners with at least \$500,000 invested in the firm will receive the appropriate member rates according to the account owner's status, for products authorized within the division of the B-share(s) held.
- * Individual Members' accounts will receive member rates for orders executed on CME Globex entered by a bona-fide clearing firm W-2 employee for products authorized within the member's division.
- * Give-up transactions are charged based solely on the carrying account owner's membership status.
- * A member's account will receive member rates for CME Globex orders entered by his or her registered clerk, for products authorized within the member's division (clerk must be registered with the CME Membership department to qualify).

14. The non-member **CME Globex fee for Foreign Exchange Futures and Options** executed as part of **spread** transactions is **\$0.75**.

15. On a tiered basis, **CME Globex fees for Foreign Exchange Futures** will be reduced for trading volumes exceeding designated monthly average daily volume thresholds. This volume discount applies only for the following:

- * Equity members trading within their division of membership;
- * Clearing Member/Inactive Clearing Member/Rule 106.I Member and Rule 106.S Member Approved Fund accounts

Volume will be aggregated across all Foreign Exchange products and contract months by account owner (spread transactions are not included). Clearing Members and their related 106.I Member(s) accounts will be treated as one firm for purposes of the volume aggregation. For Rule 106.S Member Approved Funds, their associated volume will be aggregated with their related Inactive Clearing Firm. The following CME Globex fee discounts will apply based on volume traded:

Eligible Participants	Average Daily Volume Threshold (Sides)	CME Globex Fee Discount
Equity Members/Clearing Members/Inactive Clearing Members/Rule 106.I Members/Rule 106.S Member Approved Funds	0 - 2,500	none
	2,501 - 7,500	\$0.12
	7,501 - 25,000	\$0.17
	25,001 - 50,000	\$0.19
	> 50,000	\$0.21

For pre-designated non-automated activity of Equity Members, Clearing Members, Inactive Clearing Members, Rule 106.I Members and Rule 106.S Member Approved funds, the following CME Globex fee discounts will apply instead:

Eligible Participants	Average Daily Volume Threshold (Sides)	CME Globex Fee Discount
Equity Members/Clearing Members/Inactive Clearing Members/Rule 106.I Members/Rule 106.S Member Approved Funds	0 - 7,500	\$0.12
	> 7,500	\$0.20

16. **TRAKRS FUTURES:** The fee schedule for TRAKRS products is as follows:

Order Size (Contracts)	Customer	Member	Approved Market Makers
1-400	\$0.01	\$0.005	\$0.0025
401-4,000	\$0.008125	\$0.005	\$0.0025
4001- and up	\$0.00625	\$0.005	\$0.0025

- * Customer orders are capped at \$400 per order; Member orders are capped at \$200 per order.
- * Approved Market Maker orders - as designated by the Board of Directors - are capped at \$100 per order.
- * Block & EFP transactions are charged \$0.00125 per contract in addition to the above stated exchange fees and are capped at \$400 for customers and members and \$200 for approved Market Makers.
