

By execution of the Application for Registration as a NYMEX/COMEX Power of Attorney ("POA") Electronic Trader ("Application"), I hereby agree to abide by and be subject to the Certificate of Incorporation, By-Laws and Rules of the Exchange as they now exist, and any amendments which may be made thereto in the future.

I certify that all of my statements on the above application are accurate and complete and that I have read and understood all of the provisions contained in the application. I understand that any misstatements, omissions, or false statements in this application will be sufficient cause for revocation of my registrations.

Pursuant to Rule 501 ("Employees of Members"), non-member employees with access to the trading floor are permitted to enter nondiscretionary orders into the Globex platform at the direction of an individual NYMEX/COMEX member for such member's account; however such non-member employees are not permitted to trade or have any interest in an account trading in any NYMEX or COMEX futures or options contract. **Non-member employees with floor access are expressly prohibited from exercising discretion with respect to the entry of orders on behalf of any party, including on behalf of a NYMEX/COMEX member, regardless of whether such discretion is exercised from on or off the trading floor.** While a non-member employee with access to the trading floor may be identified on a POA for a NYMEX/COMEX member, the non-member employee will be limited to entering orders into Globex only at the specific direction of the NYMEX/COMEX member granting them POA.
