EXTENSION OF TEMPORARY MEMBERSHIP PRIVILEGES IN ROUGH RICE FUTURES AND OPTIONS

CME Group has extended the program that provides temporary membership privileges for trading Rough Rice futures and options. For CBOT mini-sized Contract Permit Holders pursuant to Rule 129, temporary permit privileges in Rough Rice futures and options have been extended through **December 31, 2009**.

This program was previously scheduled to expire December 31, 2008.

Temporary status under this program will continue to be effective for both open outcry and electronic trading.
