To the CME Group Community:

On behalf of the CME and NYMEX Foundations, we want to express our sincere appreciation for your generous support of our efforts to support the victims of the recent earthquake in Haiti. We are very proud to report that we collected \$171,284 during our fundraising drive, including receipts from donations made directly to charitable organizations before our collection was announced. Given your overwhelming response, CME Group will match your donations dollar for dollar and commit even more funding from the organization. Thanks to your help, this will bring CME Group's total donation to \$400,000.

Monies raised will go directly to AmeriCares and the American Red Cross, two organizations that have long been beacons of hope to the Haitian people and whose aid in the wake of this terrible tragedy will have both an immediate and lasting impact on the victims as they begin rebuilding their lives.

We are deeply proud to be affiliated with such a kind and generous community. Your heartfelt support of our Haiti Earthquake Relief efforts reminds us that one of CME Group's greatest strengths is its people. Thank you for joining with us, AmeriCares and the American Red Cross to provide the Haiti Earthquake survivors with the food, shelter and medical assistance they so desperately need.

Sincerely,
