

Pinnacle Research Symposium Submission Form

Submit your alternative investment research idea for an opportunity to be selected and present to a limited audience of institutional investors at CME Group's **Pinnacle Research Symposium** on Wednesday, June 20, in Chicago. All presenters will receive an exclusive pass to attend the Managed Futures Pinnacle Awards that evening.

Presentation Requirements & Details:

- Up to six (6) presentations will be selected for the Pinnacle Research Symposium
- Each presentation will be targeted to 25 minutes in length (subject to change)
- It is not required that presentations be completed prior to submission, but topic must be solidified

Selection Process:

- Proposals will be rated on: topic relevancy, timeliness, originality & completeness
- Members of CME Group's Education Team, Buyside Client Development Team & Alternative Investment Team will rate each submission
- Solicited feedback will also be gathered by a select group of institutional investors, with submitter firms & names remaining anonymous

Deadline for submissions is [Friday, March 9](#). To be considered, please complete ALL of the following information, save & email this form and any supporting document(s) to colby.borders@cmegroup.com.
