

# 2015 CME GROUP TRADING CHALLENGE REGISTRATION

Registration in cooperation with a faculty advisor opens on Monday, November 10, 2014 at 9 a.m. CT.

Registration for the general student population opens on Monday, December 1, 2014 at 9 a.m. CT.

Each advisor or team leader is responsible for registering their team prior to the competition. We currently limit the number of teams per school to three (undergraduate and graduate programs are counted separately). Each team must consist of 3 to 5 students. There is no fee to register, and training on the CQG platform will be provided prior to the competition.

During the registration process, the faculty advisor or student leader is required to acknowledge that their entire team and its individual registrants are currently enrolled students. CME Group reserves the right to request official student enrollment verification at any time before, during or after the competition.

Teams will be confirmed on a first come, first served basis. The advisor or team lead will receive an e-mail confirmation after their team has successfully registered within 72 hours. If your team has registered after the maximum number of teams has been reached, the advisor or team lead will be notified that they have been put on the Challenge waitlist. CME Group will contact waitlist teams 72 hours after the close of registration with acceptance or denial of team status.

Registration will be available by visiting [cmegroup.com/tradingchallenge](http://cmegroup.com/tradingchallenge).
