CONSULTATION ON THE CLEARING RULES AND CLEARING PROCEDURES

Introduction

2. We have attached a ‘mark-up’ version of the Rules. Please note that this comparison is against the current version of the Rules and therefore does not contain changes that have been consulted upon and are still awaiting confirmation, i.e.:
   - Consultation 13-32 published 15 April 2013 (changes to the Rulebook and Procedures relating to our IRS service);
   - Consultation Notice 13-43 published 28 May 2013 on Account Structure; and
   - Consultation 13-57 published 10 July 2013 regarding the delivery mechanics of exchange traded physically settled FX contracts.

3. We would welcome comments from Clearing Members. Responses should be sent to compliance@cmeclearingeurope.com by 30 July 2013.
