Confirmation of changes to the Delivery Procedures for UK Natural Gas

1. This Notice is to provide details of the changes that CME Clearing Europe Limited ("CMECE") is making to its Clearing procedures. The changes relate to the Delivery Procedures (Part B): UK Natural Gas and are in relation to CMECE’s plan to clear a physically settled contract, traded on CME Europe Limited (see Notice 14-74 and 14-75).

2. The changes can be found in the appendices to this Notice and will come into effect at midnight on 16 January 2014.
