

## New markets. New ideas. New strategies.

### Join us for an evening about equities.

You are invited to the first in a series of CME Group Education Events. Our first event will focus on helping you become familiar with the opportunities available by trading CME Group Equity products, including equity index applications using futures and options and analysis of the spread relationship between the S&P 500 and the Ibovespa.

**November 17, 2009**

5:30 p.m.

**Caesar Park Hotel**

Business Center • Vila Olimpia

Rua das Olimpíadas, 250 • Sao Paulo, Brazil

#### About CME Group

Building on the heritage of CME, CBOT and NYMEX, CME Group serves the risk management needs of customers around the globe. We bring more than 250 years of expertise to the global marketplace, and are the largest and most diverse exchange in the world for trading futures and options. We offer the widest range of benchmark products available on any exchange, offering futures and options based on interest rates, equity indexes, foreign exchange, energy, agricultural commodities, metals, weather and real estate. CME Clearing matches and settles trades and guarantee the creditworthiness of every transaction that takes place. CME Group is listed on NASDAQ under the symbol "CME."
