Notes:

1. Payable per Distributor. Prorated for period to end of first calendar year. Fee is payable January 31 each year or on effective date of contract for new Distributors. For both real time and delayed distributors, one license fee applies. License Fee covers the display of delayed information on Distributor Group Web Sites, subject to Market Data Policies. Websites must be reported in accordance with Market Data Policies.
2. Payable per Distributor that does not submit monthly subscriber reports, if they are required, via CME on-line web reporting system, C.O.W.S. Prorated for period to end of first calendar year. Fee is payable January 31 each year.
3. (a) Payable per Distributor and for each Subscriber granted the applicable rights by CME Group.
4. User Fees apply in accordance with Market Data Policies to all information services, including intranet/extranet services and downloadable terminal software applications, which display or provide access to Information and are not covered by Web Site Fees.
5. Fee covers all contracts, pit traded and electronic, both Level I and Level II Depth (Book) data.
6. Fee calculations should be based either on Devices or on Authorized Users, in accordance with Market Data Policies.
7. Fees cover all Globex traded CME contracts, both Level I and Level II Depth (Book) data.
8. Package limited to: CME E-mini contracts only, both Level I and Level II Depth (Book) data.(Please contact us if you require a full list of individual contracts)
9. Per Request fees apply in accordance with Market Data Policies.

10. Public Internet Display Fees are available at CME's sole discretion to any Distributor that meets the conditions specified in Market Data Policies. CME reserves rights as specified in Market Data Policies to withdraw the availability of any of these fees if a Distributor fails to comply with the qualifying conditions. In the event of any unauthorized use or display of Information by Distributor or Subscribers CME reserves the right to hold Distributor liable for Distribution License Fees, Web Site and User Fees as specified from time to time in this Schedule. End of Day Data remains free of charge.

11. Fees apply per web site displaying information on the public internet, subject to Market Data Policies. Public Internet Display of Streaming Real Time Data is permitted for S & P Index Data only; it must be restricted to registered users and subject to password or similar controls. Real Time CME, CBOT and One Chicago Data may be distributed via public Internet to registered users, subject to password or similar controls, but Distribution License Fees and User Fees apply. See Market Data Policies.

12. Websites and web-hosted sites must be reported in accordance with Market Data Policies.

13. Monthly fee does not cover unauthorized use or redistribution of Information.

14. Limited Displays may include:

Values for up to 4 indices

Percentage change from previous market close

Simple historical charts or graphics

Snapshot Real Time Data

Limited Displays would not normally include:

Highs, lows, volumes or other market information

Interactive comparison or complex charting and analysis functionality.

Streaming Real Time Data

CME reserves the right to determine whether use of S & P Data qualifies as Limited Display.

15. Fee for Real Time Data also covers Delayed S & P Index Data. Fee does not cover CME, CBOT or One Chicago Data.

16. Level II fee is incremental to Private and Professional Device/User fees.

17. Includes Level I and Level II information. Data must be updated at intervals of no less than one minute.

18. Per Wallboard fees apply in accordance with Market Data Policies.

19. Fee for provision of data feed in real time format to a subscriber firm. Subscriber and sub-vendor data feeds must be reported in accordance with Market Data Policies.

20. NYMEX and COMEX delayed continuous fees are charged at a per user/device level. The follow table is for CBOT delayed continuous market data:

Total number of devices/users per Distributor/month

1 to 1,500 \$350.00
1,501 to 3,000 \$700.00
3,001 to 4,500 \$1050.00
4,501 to 6,000 \$1,400.00
6,001 to 7,500 \$1,750.00
