

## Special Executive Report

---

**DATE:** August 17, 2016  
**SER#:** 7730  
**SUBJECT:** Administrative Amendments to Certain Asian Energy BALMO Futures Contracts

Effective immediately, New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") will implement administrative, non-substantive amendments to the products listed in the table below (the "Contracts").

NYMEX Rulebook Chapter	Contract Title	Commodity Code
493	Singapore Fuel Oil 180 cst (Platts) BALMO Futures	BS
494	Singapore Fuel Oil 380 cst (Platts) BALMO Futures	BT
495	Singapore Jet Kerosene (Platts) BALMO Futures	BX
496	Singapore Gasoil (Platts) BALMO Futures	VU
497	Singapore Naphtha (Platts) BALMO Futures	KU
498	Dubai Crude Oil (Platts) BALMO Futures	BI

The amendments are being made to align the rulebook chapters with current listing schedule for Contracts described in SER 7092, dated June 17, 2014 and as filed with the Commodity Futures Trading Commission ("CFTC") on June 26, 2014 (NYMEX Submission No. 14-148). The Exchange is inserting standard language in the rulebook chapters. It is important to note that the listing schedules of the Contracts have been accurately reflected in the contract specifications of the CME Group website and that the Exchange is simply correcting the Contracts rulebook chapters. The amendments to the Contracts are provided below with additions underscored and deletions overstruck.

The CFTC will be notified of the amendments of the Contracts during the week of August 22, 2016, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.
