

## Special Executive Report

---

**DATE:** January 26, 2018

**SER#:** 8084

**SUBJECT: Amendment to the Product Titles of Three (3) Petroleum Futures Contracts**

Earlier today, New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") amended the product titles of three (3) petroleum futures contracts (the "Contracts") as described in the table below.

| <b>Current Contract Title</b>                                | <b>Amended Contract Title as of January 26, 2018</b>                        | <b>CME Globex/Clearing Code</b> | <b>NYMEX Rulebook Chapter</b> |
|--|---|---------------------------------|-------------------------------|
| Canadian C5+ Condensate Index (Net Energy) Futures           | Canadian C5+ Condensate <b>Monthly</b> Index (Net Energy) Futures           | CC5                             | 1299                          |
| Clearbrook Bakken Sweet Crude Oil Index (Net Energy) Futures | Clearbrook Bakken Sweet Crude Oil <b>Monthly</b> Index (Net Energy) Futures | CSW                             | 1298                          |
| Guernsey Light Sweet Crude Oil Index (Net Energy) Futures    | Guernsey Light Sweet Crude Oil <b>Monthly</b> Index (Net Energy) Futures    | GSW                             | 1297                          |

The Exchange also amended all references to the contracts throughout the NYMEX rulebook to reflect the new contract titles. The rulebook chapters and commodity codes will remain unchanged. The Exchange will also implement the amendment to the position limit table within Chapter 5 of the NYMEX rulebook to reflect the revised naming convention. This change will not affect existing position limits of the contracts.

Please note that the title changes and related amendments are administrative in nature and will, in no manner, impact the structure of the Contracts.

The Commodity Futures Trading Commission (CFTC) will be notified of the product name changes during the week of January 29, 2018, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.
