

Chapter 9 Clearing Members

900. CATEGORIES OF CLEARING MEMBERS

The Exchange may establish different clearing member categories and alter the rights and responsibilities of such categories.

The term "clearing member" as used in the Rules, shall include all clearing member categories established by the Exchange unless otherwise specified.

900.A. NYMEX Clearing Members

NYMEX Clearing Members shall have all applicable rights, responsibilities and privileges attendant thereto, subject to the provisions of these rules and shall be qualified to clear transactions for all NYMEX products and any COMEX products for which cross-divisional trading privileges have been granted by the Board.

NYMEX Clearing Members receive non-member fees. NYMEX Clearing Members with shares are those clearing members that maintain CME Group Class A shares in accordance with NYMEX Rule 106.J. Member Firm requirements in order to receive member rates.

900.B. COMEX Clearing Members

COMEX Clearing Members shall have all applicable rights, responsibilities and privileges attendant thereto, subject to the provisions of these rules and shall be qualified to clear transactions for all COMEX products and any NYMEX products for which cross-divisional trading privileges have been granted by the Board.

901. GENERAL REQUIREMENTS AND OBLIGATIONS

Membership in the Clearing House is a privilege and license granted by the Board and may be withdrawn by the Board for cause at any time. Clearing House staff may grant exemptions to the General Requirements and Obligations set forth below for Clearing Members if it is determined that such an exemption will not jeopardize the financial integrity of the Clearing House. Subject to such exemptions, each applicant for qualification as a clearing member must satisfy the following requirements:

A. It shall be a corporation (defined by the Rules of the Exchange to include a limited liability company), partnership or other entity approved by Exchange staff. It shall agree to: 1) abide by all Exchange Rules and to cooperate in their enforcement; 2) be responsible, even after it has withdrawn as a clearing member, for any violations of Exchange Rules committed by it while it was a clearing member; and 3) continue to meet all requirements applicable to clearing members, including all financial requirements provided by these rules;

B. It shall have an authorized representative (i.e., officer, principal, or partner) who shall represent the clearing member before the Exchange and its committees. Such authorized representative shall be responsible to the Exchange for any representations made to the Exchange as if such person were a member as defined by Rule 400.

C. It shall be qualified to do business in the State of Illinois or the State of New York or have a valid agency agreement with an entity qualified to do business in the State of Illinois or the State of New York;

D. It shall be engaged in or demonstrate immediate capacity to engage in the conduct of the business of a clearing member;

E. It shall demonstrate such fiscal and moral integrity as would justify the Clearing House's assumption of the risks inherent in clearing its trades;

F. It shall demonstrate financial capitalization commensurate with Exchange requirements as set by

the Clearing House Risk Committee;

G. If any person directly or indirectly controls, owns 10% or more of, or has the right to 10% or more of the profits of two or more clearing members, then each such clearing member shall guarantee the obligations of the others to the Clearing House and shall execute a written guarantee to the Clearing House on a form approved by the Clearing House.

H. It shall notify the Exchange prior to any significant business transaction or significant change in operations which shall include, but is not limited to the following:

1. The merger, combination or consolidation between the clearing member and another person or entity;
2. The assumption or guarantee by the clearing member of all or substantially all of the liabilities of another in connection with a direct or indirect acquisition of all or substantially all of that person's or entity's assets;
3. The sale by the clearing member of a significant part of its business and/or assets to another person or entity;
4. A change in the direct or indirect beneficial ownership of 20% or more of the clearing member;
5. Any change in the system provider used by the clearing member to process its trades; and
6. A significant increase in the number of members that a clearing member qualifies.

Additionally, a clearing member that qualifies members must provide fifteen days notice to the Exchange of any proposal to terminate such business or any material part of such business.

The Clearing House Risk Committee or Exchange staff, upon such notice, may disapprove or approve, subject to certain conditions, such changes in structure or operations if it determines that the proposed change could jeopardize the financial or operational integrity of the Exchange or the Clearing House.

I. It shall agree to guarantee and assume complete responsibility for the financial obligations attendant to: 1) all trades and orders executed or accepted for execution by a member it qualifies, including trades and orders executed, or which such member fails to execute, negligently, fraudulently or in violation of Exchange rules; 2) an unpaid arbitration award issued by a panel of the Arbitration Committee against a member it qualifies in circumstances where the dispute is related to a matter described in number 1) above; 3) an unpaid restitution order issued against a member it qualifies by a panel of the Business Conduct Committee, the Clearing House Risk Committee or a hearing panel of the Board of Directors; and 4) unpaid Exchange disciplinary fines imposed upon a member it qualifies if the member is also an employee of the clearing member or its affiliate, subject to a determination by the sanctioning entity.

J. It shall notify the Audit Department in a timely manner of any material change in key personnel who are responsible to act on behalf of the clearing member.

K. [Reserved]

L. It shall submit to the Clearing House a written guarantee, on a form provided by the Clearing House, from each person or entity owning 5% or more of the equity securities of the clearing member, that shall guarantee all obligations of the clearing member to the Clearing House arising out of accounts cleared by the clearing member that are:

1. non-customer accounts, including proprietary accounts as defined by CFTC Regulation 1.3(y); and
2. accounts carried by another futures commission merchant if such accounts would be considered non-customer accounts, including proprietary accounts as defined by CFTC Regulation 1.3(y), of the clearing member, if carried directly by the clearing member.

Notwithstanding anything herein to the contrary, the guarantee required by this Rule 901.L. shall not apply to any obligations of the clearing member to pay an assessment to the Clearing House pursuant to Rule 809B.

Each clearing member must submit and maintain with the Audit Department a current list of every person or entity which is directly, or indirectly through intermediaries, the beneficial owner of 5% or more of any class of equity security of the clearing member. If such person or entity owns the clearing member indirectly through intermediaries, all intermediaries must be listed including, if a corporation, all shareholders who own 5% or more of any class of equity security, or, if a partnership, all general and any limited or special partners who have contributed 5% or more of the partnership's capital. If the intermediary's shareholders or partners are not individuals, the clearing member must include the chain of ownership of 5% shareholders, general partners and 5% limited or special partners until individuals are listed.

If a corporation directly or indirectly owns 5% or more of the equity securities of the clearing member, the written guarantee shall be signed by an appropriate officer of the corporation, and a resolution granting such officer authority to sign the guarantee shall also be submitted to the Clearing House. Clearing House staff may also require each person or entity owning 5% or more of the equity securities of such parent corporation, or of parents of such parent corporation, to execute guarantees.

For purposes of this Rule 901.L., the term "equity security" shall include any stock, partnership interest or similar security; or any security convertible, with or without consideration, into such a security, or carrying any warrant or right to subscribe to or purchase such a security; or any such warrant or right; or any other security that Clearing House staff shall deem to be of similar nature and consider necessary or appropriate to treat as an equity security.

M. It shall guarantee and assume financial responsibility for all trading activity routed through a Globex portal, or routed through any other electronic trading system to CME for clearing of such transactions. Such activity is guaranteed to CME by the clearing member via any connection, terminal, link, telecommunications hub or handheld unit provided by the clearing member to a third party as well as any other applicable electronic trading systems and terminals that the clearing member provides to a third party to enter orders.

N. It shall be responsible for the acts of Globex terminal operators accessing the Globex system through its connections, including direct connections or other connections that it provides to firms that are under common ownership with it. It shall be the duty of the clearing member to supervise its employees and agents acting as Globex terminal operators to ensure such employees and agents comply with Exchange rules, and any violation of Exchange rules by such terminal operators shall be considered a violation by the clearing member.

902. CLEARING MEMBERSHIP ASSIGNMENT REQUIREMENTS

902.A. Assignment Requirement

Subject to exemptions granted by Exchange staff, each clearing member shall have at least two Exchange memberships in each Division in which it desires clearing member privileges assigned to the Clearing House.

At least one membership required for clearing membership pursuant to this rule must be owned by the clearing member or a person, including a parent company, with an acceptable proprietary interest in such clearing member, if such clearing member was approved for membership after July 1, 2009. The second membership may be independently assigned.

A clearing member approved for membership on or before July 1, 2009, may continue to maintain the same number of independent membership assignments as the clearing member held on July 1, 2009. If a clearing member approved on or before July 1, 2009, or a person with an acceptable proprietary interest in the clearing member, subsequently purchases a membership and substitutes such asset for one which was previously an independent assignment, such membership must thereafter be owned by the clearing member or a person with an acceptable proprietary interest if necessary to meet the minimum requirements of the previous paragraph.

Upon default of a clearing member in meeting its obligations to the Clearing House or upon the Clearing House Risk Committee's determination that a clearing member's financial position jeopardizes the financial integrity of the Clearing House, the Clearing House may direct the sale of any or all of the clearing member's assigned memberships. The proceeds from the sale of the memberships shall be used to satisfy Rule 110 obligations.

902.B. [Reserved]

902.C. Assignment Process

A membership may be assigned upon the completion of an Exchange-approved form. A membership may be assigned on behalf of only one clearing member and may not be subject to any Rule 110 claims at the time of assignment. Upon submitting an assignment form to the Membership Services Department, the membership shall be notified of the assignment. Parties will have ten days after the notification of the assignment to submit any Rule 110 claims against the membership being assigned. After all Rule 110 claims have been resolved to the satisfaction of the Exchange, the membership shall be assigned.

902.D. Assignment Substitutions

A clearing member may substitute a membership for an assigned membership provided that the clearing member continues to meet the assignment requirements of this Rule. In the event a clearing member has a valid claim against a member that it qualifies and the member's membership is assigned to another clearing member, the clearing member utilizing the membership for assignment shall have 10 business days to substitute another membership to fulfill the assignment requirements of this Rule.

902.E. Assignment Withdrawal Disputes

In the event a member wants to withdraw his assigned membership over the objection of the clearing member to which the membership is assigned, such member must request permission to do so from Clearing House staff. The request must be in writing with a copy delivered to the clearing member to which the membership is assigned.

902.F. Lien on Memberships

Each Clearing Member hereby grants to the Clearing House a first priority and unencumbered lien against all memberships required for clearing membership by the Exchange.

903. RESPONSIBILITY FOR QUALIFIED MEMBERS

A. A clearing member that qualifies a member thereby guarantees and assumes complete responsibility for the financial obligations attendant to: 1) all trades and orders executed or accepted for execution by such member, including trades or orders executed, or which such member fails to execute, negligently, fraudulently or in violation of Exchange rules; 2) an unpaid arbitration award issued by a panel of the Arbitration Committee against such member in circumstances where the dispute is related to a matter described in number 1) above; 3) an unpaid restitution order issued against such member by a panel of the Business Conduct Committee, the Clearing House Risk Committee or a hearing panel of the Board of Directors; and 4) unpaid Exchange disciplinary fines imposed upon such member if the member is also an employee of the clearing member or its affiliate, subject to a determination by the sanctioning entity.

B. To qualify traders, a clearing member must have established systems in place for trade submission, clearing, and settlement/banking with the Clearing House.

C. No member may be qualified by more than one clearing member at one time.

D. A member may not transfer his qualification unless he has obtained a written release from the clearing member last qualifying him. A release shall not be withheld unless a member has an unsatisfied indebtedness to the clearing member last qualifying him where the indebtedness is due to a deficit arising from transactions on the Exchange or where the clearing member last qualifying him is the guarantor under an existing valid guarantee of a loan which had been made to the member exclusively for the purpose of financing the purchase of the member's membership. A member who believes his qualifying clearing member is unreasonably withholding a release necessary to permit the member to be qualified by a different clearing member may request a hearing before a Panel of the Business Conduct Committee as provided in Rule 511. Any other disputes between the parties shall be resolved, to the extent permitted by the rules, through the arbitration procedures set forth in Chapter 6.

E. A clearing member may, without prior notice, revoke a member's authorization to trade by written revocation filed with the Membership Services Department. Such revocation shall be effective and the member's qualification to trade shall terminate when notice of the disqualification is posted on the Exchange floor. A member shall not appear upon the floor of the Exchange until he has been requalified.

F. A member shall place all trades, including trades for his own account or any account which he controls, on the books of his qualifying clearing member unless written authorization to the contrary from said clearing member has been filed with the Membership Services Department. Regardless of such authorization, a member in a deficit position with any clearing member shall place trades only through his qualifying clearing member. Any non-qualifying clearing member that carries a member's account in a deficit position shall promptly notify the clearing member that is qualifying such member. G. No clearing member shall provide Globex or ClearPort Trading access to, or clear any trade for, an employee, qualified trader or other representative of another clearing member without the written consent of such clearing member. No clearing member shall provide Globex or ClearPort Trading access to, or clear any trade for, a person in a partnership with another clearing member without the written consent of all partners. Such written consent shall be filed with the Membership Services Department.

H. In the case of a member who has Globex access or ClearPort Trading access guaranteed by a clearing member other than his qualifying clearing member, the qualifying clearing member may terminate the member's ability to place orders through Globex or ClearPort Trading by notifying the clearing member providing the member access to Globex or ClearPort Trading. The clearing member providing the access to Globex or ClearPort Trading will be responsible for ensuring that the member does not place orders through Globex or ClearPort Trading.

904. FUNDS IN TRADING ACCOUNTS CARRIED BY CLEARING MEMBERS

If a Member (as defined in Rule 400) trades in excess of written limits prescribed by his qualifying or guaranteeing clearing member or a clearing member through which such Member is authorized by his qualifying clearing member to trade pursuant to Rule 511 without sufficient funds in his account to margin the position, or if the Member is alleged to have engaged in reckless and unbusinesslike dealing inconsistent with just and equitable principles of trade, and such trades are profitable, the disposition of any and all funds in the applicable trading account(s) may be suspended by the carrying clearing member. The claim of a carrying clearing member to such profits shall be submitted to arbitration pursuant to the provisions of Chapter 6. The Member may request a hearing to be held as soon as practicable before a Chairman of the Arbitration Committee to determine the amount of any profits that should remain subject to a continued suspension pending an arbitration hearing on the full merits of the claim.

905. CHOICE OF LAW

(a) THE RULES OF THE EXCHANGE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ILLINOIS, WITHOUT GIVING EFFECT TO ITS CONFLICT-OF-LAW PRINCIPLES. EXCEPT AS OTHERWISE PROVIDED IN CHAPTERS 4, 5 AND 6 OF THE RULEBOOK, ANY ACTION, CLAIM, DISPUTE OR LITIGATION OF ANY KIND BETWEEN THE CLEARING MEMBER AND THE EXCHANGE ARISING FROM THE CLEARING MEMBER'S MEMBERSHIP IN THE EXCHANGE SHALL BE ADJUDICATED IN A FEDERAL OR STATE COURT IN CHICAGO, ILLINOIS. CLEARING MEMBERS CONSENT TO THE JURISDICTION OF SUCH COURT AND TO SERVICE OF PROCESS BY ANY MEANS AUTHORIZED BY ILLINOIS OR U.S. FEDERAL LAW, AND SHALL NOT SEEK TO TRANSFER THE VENUE OF SUCH LITIGATION.

(b) EACH CLEARING MEMBER IRREVOCABLY WAIVES, WITH RESPECT TO ITSELF AND ITS REVENUES AND ASSETS, ANY IMMUNITY ON THE GROUND OF SOVEREIGNTY OR OTHER SIMILAR GROUNDS FROM SUIT, JURISDICTION OF ANY COURT, INJUNCTIVE RELIEF, ORDER FOR SPECIFIC PERFORMANCE OR FOR RECOVERY OF PROPERTY, ATTACHMENT OF ASSETS, AND EXECUTION OR ENFORCEMENT OF ANY JUDGMENT TO WHICH IT OR ITS REVENUES OR ASSETS MIGHT OTHERWISE BE ENTITLED IN ANY PROCEEDINGS IN THE COURTS OF ANY JURISDICTION, AND IRREVOCABLY AGREES THAT IT WILL NOT CLAIM ANY SUCH IMMUNITY IN ANY PROCEEDINGS.

An applicant for clearing membership receiving a majority vote of the full membership of the Clearing House Risk Committee shall be approved effective immediately.

An applicant that fails to receive a majority vote shall be informed by the Clearing House Risk Committee chairman and shall have 10 days thereafter to file an appeal to the Board seeking further consideration. The Board may approve the applicant by a majority vote if it is satisfied that the Clearing House Risk Committee's decision was arbitrary, capricious or an abuse of the Committee's discretion.

913. WITHDRAWAL FROM CLEARING MEMBERSHIP

913.A. Voluntary Withdrawal

A clearing member may withdraw from clearing membership upon approval of Clearing House staff, and ratification by the Clearing House Risk Committee. Clearing House staff shall approve such withdrawal after the clearing member liquidates or transfers to an appropriate clearing member all of its open customer and proprietary positions. The withdrawal shall be effective on the date that the withdrawal is posted.

913.B. Release of Guaranty Fund Deposit, Membership Proceeds and Assignments

When a clearing member withdraws from clearing membership (whether voluntarily or involuntarily), its guaranty fund deposit and the proceeds from the sale of its memberships assigned for clearing qualification or any other deposits required by the Clearing House, and any remaining assets available to the Exchange and the Clearing House including, but not limited to, memberships will be released when Exchange and Clearing House staff determine that the following has occurred: (1) all contracts and obligations with the Exchange and the Clearing House have been settled and paid, (2) all sums owing to the Exchange have been paid, (3) all obligations to other members and customers arising out of claims directly related to futures transactions cleared on the Exchange have been paid or otherwise provided for, and (4) all obligations to other members and customers arising out of other arbitration claims filed pursuant to Chapter 6A have been paid or otherwise provided for and (5) the requisite liquidity providers for the Exchange have released the security interest in such clearing member's "Assets"

contemplated by Rule 817 in accordance with the terms of the liquidity facility contemplated thereby; provided, however, that in the event that Exchange and Clearing House staff determine that all of the foregoing other than (4) have occurred, the Clearing House Risk Committee may in its discretion authorize the release of such property.

Generally, no such property shall be released prior to the 60th day following the effective date of the clearing member's withdrawal from membership in the Clearing House. Notwithstanding the above, Exchange and Clearing House staff may grant an exemption to the above restriction for good cause shown. Further, for purposes of the paragraph above, all obligations of the withdrawing clearing member to the Exchange or the Clearing House, of whatever nature or kind, shall be accelerated and become due and payable upon the effective date provided for in the Clearing House Risk Committee decision to approve the withdrawal.

Clearing members may not accept orders for an account that has been in debit an unreasonable time.

930.E. Calls for Performance Bond

1. Clearing members must issue calls for performance bond that would bring an account up to the initial performance bond requirement: a) when performance bond equity in an account initially falls below the maintenance performance bond requirement; and b). subsequently, when performance bond equity plus existing performance bond calls in an account is less than the maintenance performance bond requirement.

Such calls must be made within one business day after the occurrence of the event giving rise to

the call. Clearing members may call for additional performance bond at their discretion. Notwithstanding the foregoing, a clearing member is not required to call for or collect performance bond for day trades.

If an account holder fails to comply with a performance bond call within a reasonable time (the clearing member may deem one hour to be a reasonable time), the clearing member may close out the account holder's trades or sufficient contracts thereof to restore the account holder's account to required performance bond status. Clearing members shall maintain full discretion to determine when and under what circumstances positions in any account shall be liquidated.

930.N. OTC Derivatives Undermargined Capital Charge¹

Clearing members must compute an OTC derivatives undermargined capital charge for customer and noncustomer accounts containing cleared OTC derivative positions when performance bond calls on the accounts have been outstanding for more than three business days. The OTC derivatives undermargined capital charge is calculated as the amount of funds required in such account to meet maintenance performance bond requirements less account equity and acceptable performance bond collateral. 983. DISASTER RECOVERY AND BUSINESS CONTINUITY

984. CLEARING MEMBER ACCEPTANCE OF EXECUTED CUSTOMER TRADES

The following provisions define the minimum responsibilities and obligations of those parties to the clearance of a customer trade.

The term "executing broker" as used in this Rule is the Member Firm or Floor Broker to whom the order is transmitted.

984.A. Responsibilities and Obligations of Clearing Members

The acceptance for clearance of a trade by a Clearing Member shall not relieve any party to the solicitation, handling, execution or clearance of such trade from the duty to act in good faith and with reasonable care and diligence.

1. Timeframe for a Carrying Clearing Member to Accept or Reject an Allocated Trade

A Clearing Member that has been allocated a customer trade must accept or reject such trade within 60 minutes of receiving the allocation. Such trades may only be rejected in accordance with the provisions of section A.3 of this Rule.

If after accepting an allocated trade a Clearing Member determines that such trade is an error or exceeds limits which have been communicated to an executing broker and his Primary Clearing Member ("PCM") in accordance with section A.3 of this Rule, the Clearing Member may reject such trade any time up to the close of business on the business day following the date of execution.

2. Limits Placed by Clearing Member

A Clearing Member may, in its discretion, place trading limits or impose a complete cessation on the trades it will accept for clearance for a customer's account from an executing broker, provided, however, that both the executing broker and his respective PCM receive prior written, telephonic or electronic notice from the Clearing Member of the applicable trading limits or trading cessation imposed on that customer account. Such notice must be given to all applicable executing brokers that within the prior 90 days have executed trades on behalf of said customer and allocated such trades to the applicable Clearing Member, and to such executing brokers' PCMs.

A copy of any and all correspondence evidencing any notice required by section A.2 of this Rule shall be retained as part of the books and records of the Clearing Member, the executing broker and his PCM.

3. Trade Rejection

A Clearing Member may only reject a trade that has been given up to it for clearance if: (1) the trade exceeds the trading limits established in accordance with section A.2 of this Rule for that customer and such limits have been communicated to the executing broker and his PCM in accordance with section A.2 of this Rule; or (2) the trade is an error for which the executing broker

is responsible. If a rejected trade, or an unclaimed but pending trade, was allocated to the Clearing Member by the executing broker beyond the time period required under Rule 536.A, that fact shall be taken into consideration in any dispute between such Clearing Member and executing broker regarding such trade that is governed by Exchange Rules.

4. Billing

A Clearing Member will pay brokerage fees incurred for all transactions by the executing broker for the customer and subsequently accepted by the Clearing Member by means of the Brokerage Payment System ("BPS"). Brokerage fees will be agreed upon in advance among the Clearing Member, the customer and the executing broker.

984.B. Responsibilities and Obligations of Executing Brokers

1. Customer Order Placement

An executing broker will be responsible for determining that all orders received on behalf of a customer's account have been placed or authorized by the customer. Once an order has been accepted, a broker or the broker's clerk must:

- (a) confirm the terms of the order with the customer;
- (b) accurately execute the order according to its terms;
- (c) confirm the execution of the order to the customer as soon as practicable; and,
- (d) transmit such executed order to the Clearing Member as soon as practicable in accordance with Exchange Rules and procedures.

2. Use of Other Persons

Unless otherwise agreed in writing, the executing broker is allowed to use the services of another broker in connection with the broker's obligations under these Rules. The executing broker remains responsible to the customer and Clearing Member under these Rules.

3. Executing Broker Responsibility for Verifying Clearing Member Authorization

Prior to accepting and executing an initial order for any new customer account, the executing broker must confirm with such customer's Clearing Member by telephonic, electronic or written means that:

- (a) the customer has a valid account with the Clearing Member;
- (b) the account number;
- (c) the brokerage rate; and
- (d) the customer is authorized by the Clearing Member to place orders with the executing broker for that specific account.

The executing broker shall retain as part of his books and records a copy of the authorization received from the Clearing Member, or the specifics of the telephonic confirmation, which includes the name of the Clearing Member representative, date, time and any other relevant information. The falsification of such information shall be the basis for disciplinary action.

Each executing broker shall conduct ongoing due diligence to ensure that all customer orders received are for active accounts. If a broker has neither executed trades on behalf of a particular customer nor allocated that customer's trades to a specific Clearing Member within the past 90 days, the broker shall not execute any trade for that customer for allocation to the Clearing Member without first confirming with the Clearing Member that the customer remains active and that the broker continues to be authorized to execute trades on behalf of the customer.

Each executing broker shall ensure that every Clearing Member to which he allocates trades: (1) has received current telephonic and electronic contact information for the executing broker and his PCM; and (2) is immediately informed of any change in the broker's PCM.

For purposes of providing any notice required under this Rule, a Clearing Member may rely upon the most recent telephonic and electronic contact information it received from the executing broker.

4. Rejection of Customer Order

Where an executing broker has confirmed Clearing Member authorization to execute orders on behalf of a customer in accordance with this Rule 984, the broker may, in the broker's discretion, reject an order that the customer transmits to the broker for execution. The executing broker shall promptly notify the customer and the Clearing Member(s) of any such rejection.

985. DISBURSEMENTS TO CUSTOMERS PROHIBITED

Clearing members are prohibited from disbursing cash to any of their customers. For the purpose of this rule, "customer" is deemed to include any person or entity maintaining a trading account with the clearing member.

990. SPECIAL CAPITAL PROVISIONS FOR CLEARING MEMBERS GUARANTEEING AND CLEARING OTC CONTRACTS EXECUTED BY NYMEX FLOOR MEMBERS

(A) Clearing Members that guarantee and clear OTC contracts, agreements or transactions pursuant to the program referenced in NYMEX Rule 992 must have and maintain at all times minimum capital of at least \$20 million.

(B) If, during the 18-month period, a Clearing Member does not maintain capital of at least \$20 million, it must further reduce its capital in compliance with this program by 100 percent of the NYMEX margin requirements for the OTC contracts, agreements or transactions of floor brokers and floor traders that it is guaranteeing pursuant to this program. A Clearing Member must compute its capital in accordance with Exchange rules and generally accepted accounting principles consistently applied.

(C) A Clearing Member that is subject to the provisions of paragraph (B), above shall be required to compute, on a daily basis, the total margin requirement for OTC contracts, agreements or transactions of floor brokers and floor traders that it is guaranteeing pursuant to this program. Such computations must be documented and maintained by the Clearing Member in accordance with CFTC Regulation 1.31 and be made available for inspection by Exchange representatives. Computations prepared as of financial statement filing dates must be included as part of such filing with the Exchange.

(D) A decline in a Clearing Member's capital resulting from the application of this Rule shall be subject to the reporting requirements set forth in Rule 970.

Clearing Rules Specifically Governing Clearing Member Obligations Regarding Clearing of Options and Forwards Executed in Exchange-Designated Pari-mutuel Auctions

Note: The following subsection is intended to group together several rules that apply specifically to obligations associated with the clearing of this category of product. Clearing Members are advised that, in addition to other Chapter 9 rules that govern their duties more generally, they may wish to also consult the following Chapter 9 rules: Rules 971 and 973.

(E) Clearing Members that guarantee and clear OTC contracts, agreements or transactions pursuant to the program referenced in NYMEX Rule 6.21G must have and maintain at all times minimum capital of at least \$20 million.

991. CLEARING REQUIREMENTS FOR CLEARING OF OVER-THE-COUNTER OPTION TRANSACTIONS IN EXCHANGE-DESIGNATED PARI-MUTUEL AUCTIONS

(A) No Clearing Member shall assign an account number that would accept the entry of orders into an Exchange-designated pari-mutuel auction for or on behalf of a customer, unless such customer is first provided with an Auction Procedures document in a form approved by the Exchange and any subsequent revisions or amendments to such Auction Procedures. A Clearing Member shall obtain the agreement of each eligible customer for which it proposes to clear transactions in a pari-mutuel auction that such customer will be bound by the Auction Procedures and by applicable Exchange Rules, in connection with each such transaction. Such agreement may be obtained in any manner deemed appropriate by the Clearing Member, including without limitation through the

customer's consent in its agreement with the Clearing Member to be bound by Exchange Rules, provided that such agreement can be enforced by the Exchange or an Auction Broker (as defined below) against the customer. The Auction Procedures applicable to pari-mutuel auctions and transactions are hereby incorporated into these Rules and made a part hereof to the same extent as if such Procedures were reprinted herein in their entirety.

(B) Participation in an Exchange-designated pari-mutuel auction shall be limited to "eligible customers." For purposes of this rule, eligible customers shall be limited to individuals and entities:

(1) who qualify as an "eligible contract participant" as defined by the Commodity Exchange Act and by CFTC rule, order or other interpretation, which would include NYMEX Floor Members participating in over-the-counter markets under the conditions and requirements established by NYMEX Rule 9.38;

(2) who agree to be bound by the NYMEX Rules and by the Auction Procedures referenced in Section (C);

(3) who have established a relationship with a Clearing Member and for whom the Clearing Member has submitted information to the Exchange as provided in Section (C); and

(4) where the offer and sale of products listed in such auction to such individual or entity and the participation in such auction market by such individual or entity does not violate any law applicable to such individual or entity.

Clearing Members may only authorize customer accounts for Exchange-designated pari-mutuel auction for customers.

(C) Before authorizing any account of an eligible customer to trade in an Exchange-designated pari-mutuel auction, a Clearing Member must first submit to the Exchange in the manner provided by the Exchange the following information along with other related information that may be required by the Exchange from time to time:

(1) the account number of the eligible customer;

(2) the commodity or commodities that the Clearing Member has authorized the eligible customer to trade on the Exchange-designated pari-mutuel auction; and

(3) the maximum financial exposure that the Clearing Member is willing to accept for trading by the eligible customer on the Exchange-designated pari-mutuel auction. The limit set by the Clearing Member for the Exchange-designated pari-mutuel auction shall be unique to that auction and thus shall operate separately from the risk limits that may be applicable to that account number in connection with other Exchange services.

In addition, by agreeing to clear transactions in a pari-mutuel auction for eligible customers, and by establishing Risk Allocation Values for orders submitted by that customer, in accordance with paragraph (E) below, a Clearing Member will be deemed to represent and warrant that each customer for which it agrees to clear transactions is an eligible customer under these Rules and that such customer has been provided with the Auction Procedures (including any revisions or amendments) and has agreed to be bound by the Auction Procedures and these Rules. Each Clearing Member will indemnify and hold harmless the Exchange from any claims, damages, losses, costs or expenses whatsoever incurred by NYMEX or any Auction Broker arising out of any representation or warranty made by Clearing Member in this Clause (C) not being true or accurate (including any claim that an eligible customer is not bound by any Supplemental Cleared OTC Contract (defined in Section (F) below).

(D) Pari-mutuel transactions will be entered into through separate auctions, as set forth in the Auction Procedures. Upon the completion of an auction, each eligible customer with an executed transaction will be deemed to have entered into an over-the-counter transaction with the Exchange on the terms, and in the amount and at the price, specified with respect to the particular auction, without any further action by Exchange, the Clearing Member or the eligible customer. Immediately thereafter, the over-the-counter transaction will be given up for clearing to the Clearing Member designated by the eligible customer and shall be extinguished and replaced, by a cleared over-the-counter transaction between the Exchange and the applicable Clearing Member without any further action by the eligible customer or the Clearing Member pursuant to product specifications for such product as provided by Exchange rules.

(E) In addition, Clearing Members must require their eligible customers to designate at least one firm through which the customer's orders will be submitted into the Exchange-designated pari-

mutuel auction ("Auction Broker"). The duties of an Auction Broker will include application of the authorizations and risk limits (set by a Clearing Member pursuant to Section (C)) (hereafter "Risk Data") to the orders received from the eligible customers of the Clearing Member.

(F) A Clearing Member agrees unconditionally to accept and to clear all trades executed for that account for which it has input information pursuant to Section (C), regardless of malfunction or non-operation of the Exchange's contracts order filter functionality, the Risk Allocation Value order filter functionality, and/or the position limit functionality, provided however that in the event of any manner of misapplication or non-application of the Risk Data by an Auction Broker that results in the execution of a transaction above the risk limit specified by the Clearing Member for an eligible customer, the Clearing Member shall be required to clear only that portion of the transaction that is within or up to such risk limit and the excess of the transaction size above such risk limit shall result in the execution of a cleared contract (a "Supplemental Cleared OTC Contract") on behalf of the relevant Auction Broker, in the amount of such excess, which shall be cleared by the Auction Broker's Clearing Member. The eligible customer that entered the order in excess of its credit limit shall reimburse the Auction Broker for any amounts that the Auction Broker is required to pay under the Supplemental Cleared OTC Contract. Conversely, the Auction Broker will pay to the eligible customer any amount that the Auction Broker receives under such Supplemental Cleared OTC Contract. A Clearing Member shall be responsible for maintaining and updating as appropriate the Risk Data on an ongoing basis and shall submit any such updates to the Risk Data pursuant to the procedures and deadlines as established by the Exchange.

992. PARTICIPATION BY NYMEX FLOOR MEMBERS IN SPECIAL PROGRAM FOR OVER-THE-COUNTER TRADING WITH FCM GUARANTEE

(A) The over-the-counter (OTC) contracts, agreements or transactions must be executed pursuant to Section 2(h)(1) of the Commodity Exchange Act (Act), which in effect provides among other things that such transactions shall be subject to CFTC anti-fraud and anti-manipulation authority and also may not be entered into on a trading facility. This program generally allows a NYMEX Floor Member to enter into trading in certain OTC contracts on the basis of a FCM guarantee without needing to satisfy the total assets requirements otherwise necessary under the Act for such trading. In order to maintain eligibility for this program, a NYMEX Floor Member must continue to satisfy all of the conditions contained in this rule.

(B) This program is available only to NYMEX Floor Members in good standing who are properly registered with the CFTC as a floor trader and/or as a floor broker. With respect to floor brokers, this program is available only for trading executed by the floor broker for his proprietary account. In addition, each NYMEX Floor Member must notify the Exchange Market Regulation Department prior to any participation in this program.

(C) Clearing. The NYMEX Floor Member must have obtained and at all times maintain a financial guarantee in writing as provided by the Exchange for the contracts, agreements or transactions from a NYMEX Clearing Member that:

(1) is registered with the Commission as an FCM; and,

(2) clears the OTC contracts, agreements or transactions thus guaranteed for such NYMEX Floor Member.

(D) Permissible OTC contracts, agreements or transactions shall be limited to trading in a commodity that either:

(1) is listed only for clearing at NYMEX or

(2) is listed for trading and clearing at NYMEX and NYMEX's rules provide for exchanges of futures for swaps in that contract, and

(3) each OTC contract, agreement or transaction executed pursuant to this NYMEX program must be cleared at NYMEX.

(E) The NYMEX Floor Member may not enter into OTC contracts, agreements or transactions with another floor broker or floor trader as the counterparty for any contract that is listed for trading on the Exchange. However, a NYMEX Floor Member may enter into OTC contracts, agreements or transactions for such products with the Exchange in connection with options or forwards entered into through a pari-mutuel auction or, in connection with other OTC contracts, agreements or transactions, with an individual or entity that qualifies as an "eligible contract participant" pursuant to the Act.

(F) All contracts transacted in connection with this rule must be submitted and accepted for clearing on the Exchange. This rule neither authorizes nor allows a NYMEX Floor Member to maintain an uncleared OTC position and such activity would constitute a violation of this rule.

993. RESOLUTION OF THE BOARD OF DIRECTIONS TO ESTABLISH AND MAINTAIN A PERMANENT RETAIL CUSTOMER PROTECTION MECHANISM

The Board of Directors, upon consideration of a pending CFTC Order, hereby:

RESOLVES, to establish and maintain a permanent retail customer protection mechanism supported by a commitment of not less than \$10 million which shall be available at all times to promptly reimburse retail customers trading on NYMEX whose original margin funds are lost in the unlikely result of a default by another customer of the same FCM in any contract cleared by NYMEX and where such customer default of a NYMEX contract results in a default of that FCM clearing member to NYMEX and where NYMEX uses customer margin funds of that FCM clearing member to address the default. For the purposes of this resolution and said CFTC order, the term "Retail Customer" shall be defined to include all natural persons who do not otherwise qualify as an "eligible contract participant" under the requirements of Section 1a(12) of the Commodity Exchange Act, provided however, that such definition of Retail Customer shall not include any NYMEX floor traders or floor brokers and additionally shall not include family members of NYMEX floor traders and floor brokers who maintain accounts at the same FCM where such NYMEX floor trader or floor broker maintains an account.

RESOLVES FURTHER, that in the event of a FCM default to NYMEX caused by a customer default as described above where the total loss of all Retail Customers at such FCM from such default exceeds the amount of the Exchange's then current commitment, authorizes Exchange staff to compensate such Retail Customers on a pro rata basis.

RESOLVES FURTHER, that this resolution shall become effective as of the effective date of the order from the Commodity Futures Trading Commission.

994. CUSTOMER SUBSTITUTION IN THE EVENT OF CLEARING MEMBER BANKRUPTCY

In the event that an "order for relief" as defined in CFTC Reg. 190.01(dd) has been entered in respect to a clearing member whose customer holds a futures contract or options contract that may only be liquidated by physical delivery and, as to such contract:

(i) trading has ceased on the date of the entry of the "order for relief;"

(ii) notice of delivery has been tendered on or before the date of the entry of the "order for relief;" or

(iii) trading ceases before the trustee can liquidate the contract;

then the Clearing House shall allow the customer (if his identity can be readily ascertained and verified) to be directly substituted for the debtor clearing member to the extent necessary to complete delivery. None of the requirements for delivery, including notices, instructions, payment, etc., shall be waived hereby. Moreover, substitution shall in no way relieve the debtor clearing member of its obligations to the Clearing House and the opposite clearing member in regard to any claims arising out of that delivery.
