

## Chapter 120

### E-micro Gold Futures

#### 120100. SCOPE OF CHAPTER

This chapter is limited in application to E-micro Gold futures. The procedures for trading, clearing, delivery and settlement not specifically covered herein or in Chapter 7 shall be governed by the general rules of the Exchange.

The provision of these rules shall apply to all gold bought or sold for future delivery on the Exchange.

The terms “seller” and “buyer” shall mean the seller of the physical product and the buyer of the physical product, respectively.

For purposes of these rules, unless otherwise specified, times referred to herein shall refer to and indicate New York time.

#### 120101. CONTRACT SPECIFICATIONS

The contract unit shall be ten (10) troy ounces. Gold delivered under this contract shall meet all of the specifications in Exchange Chapter 7 and Chapter 113 (“Gold Futures”) as they apply to the Exchange’s 100-troy ounce Gold futures contract.

Deliveries under the contract are restricted to multiples of ten (10) futures contracts on all days on which deliveries may take place with the exception of the last intent day. On the last intent day, there will be no restriction on the delivery quantity.

Upon delivery, the buyer’s clearing member receives and the seller’s clearing member delivers an Accumulated Certificate of Exchange (“ACE”), issued by the Clearing House. An ACE represents a 10% ownership in a 100-troy ounce gold bar held in the form of a Warrant.

A clearing member may request the issuance of ten (10) ACEs by electronically endorsing to the Clearing House a Warrant representing one (1) 100-troy ounce gold bar.

ACEs may only be redeemed for a Warrant upon the accumulation of ten (10) such ACEs. Upon presentation and endorsement to the Clearing House of ten (10) ACEs, the owner will receive one (1) Warrant meeting the contract specifications in accordance with Rule 113101. Tolerance adjustments for ounces received vs. ounces represented by the ACEs will be made through the Clearing House.

Storage charges are invoiced to the clearing member who owns the ACEs.
