### Administrative Amendment to the Position Limit, Position Accountability and Reportable Level Table in Chapter 5 of the NYMEX Rulebook

The administrative amendment to NYMEX Chapter 5, Position Limit, Position Accountability and Reportable Level Table corrects a typographical error in the expiration month limit for the Florida Gas Zone 3 Natural Gas Index Swap (Platts Gas Daily/Platts IFERC) futures contract (Chapter 447, Contract Q9). The expiration limit for the contract should be 500/500, rather than 500/50, to coincide with the limit of the underlying contract. This change will be made effective on trade date December 29, 2010.

Contract related questions can be directed to Glenn Hofferber, Associate Director, Market Surveillance, at 212.299.2884, and Ryne Toscano, Lead Market Surveillance Analyst, at 212.299.2879.
