DATE: March 31, 2011

SER#: 5686

SUBJECT: Administrative Amendments to the NYMEX Rulebook Chapter 5, Position Limit, Position Accountability and Reportable Level Table

Please be advised that effective Monday, April 4, 2011, the New York Mercantile Exchange, Inc. (NYMEX or Exchange) will remove references to products listed on the Green Exchange LLC (GreenX) and the Dubai Mercantile Exchange (DME) from the NYMEX Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook.

The respective product slates were migrated to the GreenX effective trade date January 24, 2011, and to the DME effective trade date May 1, 2007.

Reporting firms should, however, continue to report positions of these contracts to NYMEX in the same manner as they are currently reported, but may refer to the GreenX (www.thegreenx.com) and DME (www.dubaimerc.com) rulebooks for the position limit, position accountability and reportable levels of the respective products.

Contract related questions can be directed to Ryne Toscano, Supervisor, Market Surveillance, at 212.299.2879, or Daniel Meir, Lead Market Surveillance Analyst, at 212.299.2878.
