RESTRICTED CONTRACT MARKETS FOR CME RULE 552 **("DUAL TRADING RESTRICTIONS")**

The Exchange has approved the following list of restricted markets for the implementation of CME Rule 552 ("Dual Trading Restrictions"), effective for the remainder of the third quarter and the beginning of the fourth quarter of 2011.

Please note that as of September 1, 2011, the dual trading restrictions will become applicable to the sixth contract month position quarterly cycle Eurodollar options.

- ***EURODOLLAR OPTIONS:*** Dual trading is restricted in the following contract month positions, up to but not including the last five business days of the contract month:
 - First, second, third, fourth, fifth and sixth (as of Sep 1) contract month position quarterly ED options.
 - First and second position serial month ED options.
 - First, second and third contract month position quarterly cycle One-Year ED MidCurve options.
 - First and second position serial month One-Year ED MidCurve options.
- ***S&P 500[®] INDEX OPTIONS:*** Dual trading is restricted in the first quarterly contract month position S&P 500 options and the first serial contract month position S&P 500 options, up to but not including the last five business days of the contract month.

The Exchange regularly reviews historical volume data in order to determine those contracts and contract months deemed mature and liquid pursuant to CME Rule 552. Any new restrictions on dual trading will occur only after prior notice has been provided to shareholder/members.

Please see the reverse side of this document for information on the date ranges during which dual trading is restricted in each of the restricted contract months.
