RESTRICTED CONTRACT MARKETS FOR CME RULE 552 **("DUAL TRADING RESTRICTIONS")**

CME Group has approved the following list of restricted markets and procedures for the implementation of CME Rule 552 ("Dual Trading Restrictions"), effective for the remainder of fourth quarter 2009 and the beginning of first quarter 2010.

- ***EURODOLLAR OPTIONS:*** Dual trading is restricted in the following contract month positions, up to but not including the last five business days of the contract month:
 - First, second, third, fourth and fifth contract month position ED quarterly options.
 - First and second serial month ED options.
 - First and second position quarterly cycle One-Year ED MidCurve options.
 - First position serial month One-Year ED MidCurve options.
- ***S&P 500[®] INDEX OPTIONS:*** Dual trading is restricted in the first quarterly contract month position S&P 500 options and the first serial contract month position S&P 500 options, up to but not including the last five business days of the contract month.

CME Group regularly reviews historical volume data in order to determine those contracts and contract months deemed mature and liquid pursuant to CME Rule 552. Any new restrictions on dual trading will occur only after prior notice has been provided to shareholder/members.

Please see the reverse side of this document for information on the date ranges during which dual trading is restricted in each of the restricted contract months.
