

## Special Executive Report

**S-4745**

**August 6, 2008**

### **IMPLEMENTATION DATE FOR NEW STRIKE BANDS ON CME GROUP OPTIONS ON GRAIN AND OILSEED FUTURES**

The implementation date for the expanded strike bands on options on CME Group grain and oilseed futures has been changed to August 18. Details on the new strike bands were published in Special Executive Report (SER) S-4740 issued on August 1, 2008. SER S-4740 is available on the CME Group Rule Changes Page at (<http://www.cmegroup.com/rulebook/rulechanges.html>). Dynamic strike price listing capability in CME Group agricultural options, also covered in SER S-4740, is still targeted for implementation on September 26, 2008.
