

Advisory Notice

Clearing House

TO: Give Up Payment System ("GPS") Users

FROM: CME Clearing

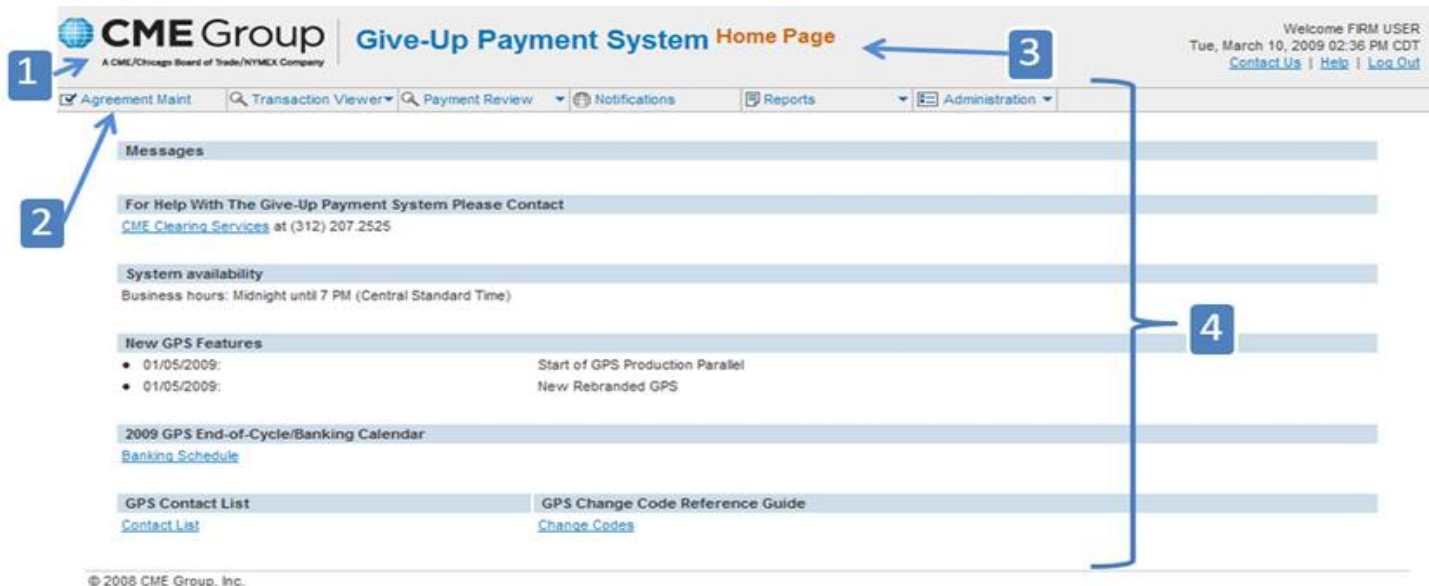

ADVISORY #: 09-93

DATE: March 12, 2009

SUBJECT: **Give-Up Payment System (GPS) – Rebranding Release**

Effective **Monday, March 23, 2009**, the GPS application screens will be rebranded and have a new "look and feel". Please note there will be no change to current GPS functionality.

Starting March 10, 2009, and continuing through March 20th, the new GPS screens will be available for review under the **Parallel GPS** test version accessible through the CME certification portal at **connectcert.cme.com**. Please reference screenshot example below:

The screenshot displays the 'Give-Up Payment System Home Page' with the CME Group logo and navigation menu. Numbered callouts identify key elements: 1 points to the CME Group logo; 2 points to the 'Messages' section; 3 points to the 'Home Page' link in the navigation bar; and 4 points to the 'New GPS Features' section. The 'New GPS Features' section lists two items: 'Start of GPS Production Parallel' and 'New Rebranded GPS', both dated 01/05/2009. Other sections include 'System availability', '2009 GPS End-of-Cycle/Banking Calendar', and 'GPS Contact List'.
