**Subject:** Transfer Fee Waiver  
**Date:** November 30, 2011

In consideration of the extraordinary volume of account transfers related to the MF Global Inc. bankruptcy, CME Group is waiving all transfer fees for the month of November. This waiver is not limited to the initial MF Global bulk transfers only. Given that there were many secondary transfers between firms following the initial bulk transfers, this waiver extends to all transfer trades, across all products, and across all firms for the month of November. Please call CME Clearing at (312) 207-2525 if you have any questions.
