DATE: March 14, 2013

Please be advised the Union Registry will be closed **Friday, March 29th through Monday, April 1th** due to the Easter holiday. Any firms with deliveries in the Daily European Union Allowance (EUA) (commodity code EUL) for contract days Wednesday, March 27th and Thursday March 28th will be subject to the following schedule:

Last Trading/Intent Day	Sell Side Transfer to CME/Buy Side Wire to CME	CME Transfer to Buy Side/CME Wire to Sell Side
Wednesday, March 27, 2013	Tuesday, April 2, 2013	Wednesday, April 3, 2013
Thursday, March 28, 2013	Tuesday, April 2, 2013	Wednesday, April 3, 2013

There is no Daily European Union Allowance (EUA) (commodity code EUL) contract for March 29th, 2013 as this is a CME Group holiday. There is also no impact to the March In Delivery Month Certified Emission Reduction (CER) (commodity code 6S), In Delivery Month European Union Allowance (EUA) (commodity code 6T), and Certified Emission Reduction Plus (commodity code CPL) contracts, the regular delivery timeline will apply (please see the following advisory for the monthly contract timelines: <http://www.cmegroup.com/tools-information/lookups/advisories/clearing/Chadv13-095.html>)

As a reminder, any firm going through delivery on European Union Emission contracts needs to have a trading account at the Union Registry and have the account trusted with CME Group's account. Please alert the Deliveries Team at least 10 business days prior to delivery after setting up a new trading account as the Union Registry requires a holding period of 7 business days before accounts become trusted. Please contact the Deliveries Team if you plan to go through delivery on these contracts and do not meet the above criteria.

For questions on the above please contact the CME Group Clearing House Delivery Team at 312-930-3172 or clearinghousedelivteam@cmegroup.com
