SUBJECT: **REVISED**: Reminder – SMART Click Migration: Positions

DATE: June 15, 2015

Over the past few months, CME has begun rolling out SMART Click – our new and simpler method to access all CME Group online applications. Beginning on Monday, June 15, you can begin using SMART Click for Positions.

The new single login address to remember is <https://login.cmegroup.com>. Below is the simple process to maintain your access to Positions:

- 1) If you have not already done so, register for a SMART Click ID at www.cmegroup.com/smartclick
- 2) Activate your SMART Click ID.
- 3) Claim & Link your Legacy ID to your SMART Click ID. To do this, login to CME or CCE direct links to Position applications at:
 - a. CME: <https://positions.cmegroup.com>
 - b. CCE: <https://positions-cce.cmegroup.com>
- 4) If you do not have your SMART Click ID setup, you can select to Login with Legacy ID to the direct Position links above. You have until July 15th to migrate the legacy ID to SMART Click.

Here is the link to the SMART Click FAQ document for a more detailed overview of the process:
