**Electronic Livestock futures are on the rise.  
The future for options is now.**

259%

growth in Livestock futures traded electronically on CME Globex.

Since June 2007, the percentage of Lean Hog and Live Cattle futures contracts traded electronically has grown dramatically and steadily, delivering unprecedented liquidity and speed to market participants.

With this deep liquidity in the futures market, CME Group Livestock options now provide the opportunity you've been looking for. That's because Livestock options on CME Globex represent an increasingly liquid, efficient and anonymous trading opportunity with unmatched price transparency and consistently tight spreads.
