As the debate over regulation reform continues, we continue to proactively communicate CME Group's views. Last week, CEO Craig Donohue was in Washington testifying at the CFTC/SEC harmonization hearing. For your reference, we have attached a copy of his [testimony](#) and the subsequent interviews he did with [Fox Business News](#) and [Bloomberg](#). This issue is fundamentally important to our markets and to our industry, and we will continue to keep you informed about our efforts to promote our views and influence opinion.
