

CORPORATE CITIZENSHIP REPORT

2017

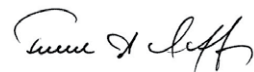

At CME Group, we are committed to delivering value to our customers, shareholders and employees. Part of this focus means actively engaging in our local communities. We are pleased to share CME Group's 2017 Corporate Citizenship Report, which highlights the range of charitable investments we are making around the globe.

In 2017, CME Group contributed more than \$10 million through various charitable programs and foundations. This includes donating \$1.25 million to AmeriCares, Save the Children, and the American Red Cross in response to the devastating natural disasters that displaced so many across Texas, Florida, the Caribbean and Mexico. Additionally, our community outreach program, Amicus, continued to provide employees across our Chicago, New York, London, Belfast, Bangalore and Singapore offices with opportunities to volunteer more than 3,000 hours of service.

Giving back is important to all of us at CME Group. We are proud of the difference we are making through our corporate philanthropy, and we look forward to continuing to create better futures for our communities.

Sincerely,

TERRENCE A. DUFFY
