As the world’s leading and most diverse derivatives marketplace, CME Group believes that corporate citizenship is both a responsibility and a privilege.

Through charitable donations, volunteerism and sustainability initiatives, we are focused on building brighter futures in the communities where we live and work.
CME Group supports important philanthropic causes around the globe through charitable grants made by the CME Group Foundation and CME Group Community Foundation, as well as through corporate donations.

We empower employees and members to make a positive difference in our communities by sponsoring volunteer opportunities with our adopted schools and other non-profit partners.

As a leader in our industry, we value the role we play in being a good steward of the environment and creating an efficient workplace.

At a Glance

- $5.7 million in grants from the CME Group Foundation
- Nearly $1 million in grants and matching gifts from the CME Group Community Foundation
- Co-Chair of Special Olympics’ 50th Anniversary
- $62,500 in scholarships to 25 CME Group STAR Partnership Mayoral Award recipients

2,500 volunteer hours

We empower employees and members to make a positive difference in our communities by sponsoring volunteer opportunities with our adopted schools and other non-profit partners.

At a Glance

- 2,500 volunteer hours
- 55 company-sponsored volunteer events across our global offices
- Adopted schools in Chicago and New York
- 155 children and 38 families adopted during our annual adopt-a-family and adopt-a-child holiday gift drives

$8.4M in charitable donations

CME Group contributed $8.4 million through our various charitable programs and foundations last year. Our employees volunteered more than 2,500 hours of service in partnership with deserving non-profit organizations across the globe. A particular highlight for us was serving as Co-Chair of Special Olympic’s 50th Anniversary - a global event that underscored the importance of diversity and inclusion.

We are proud of the positive impact our corporate citizenship is making around the world, both for today and for generations to come.

Sincerely,

TERRENCE A. DUFFY
Chairman and Chief Executive Officer

• $1.4 million worth of computers, printers and other technology equipment donated to local schools and charities
• More eco-friendly office build-outs, including retrofitting lighting to be more energy efficient, installing motion sensors that turn off lights when rooms are empty, and upgrading floors with new carpet tiles made from recyclable materials
• 151 tons of paper and electronic assets were recycled or resold globally, saving trees, carbon dioxide, water and energy
