

**ELECTRONIC ACCESS
EXPEDITED RATES
CONSENT FORM**

I, _____, request temporary membership approval at

CME / CBOT / NYMEX / COMEX (circle as appropriate), to obtain reduced clearing and exchange fees by leasing or purchasing a membership for electronic trading, with **no trading floor access** prior to my final approval to membership.

I certify that I will make myself available to the staff of the Membership Department to complete a preliminary interview and provide the necessary documentation to complete the application approval process including final consideration by the Membership Committee if necessary.

I understand that the availability to reduced fees is contingent upon the completion of the membership application process and failure to respond to the Membership Department's request will terminate my electronic access.

If I fail to comply with the Membership Department's requests or if I am rejected by the Membership Committee, I will take no recourse against the Exchange except as provided in Section 8c of the Commodity Exchange Act and I understand that I am required to reimburse the Exchange for any Fee discounts received during my temporary approval.
