Participant's Additional Account Information

Please provide all required supporting documentation for each new/additional managed account to be registered in the Program including:

- A listing of all new/additional accounts to be registered under the Applicant's name and the CME clearing member account(s) for each account (using the table below).
- Account statement(s) confirming open and funded clearing account(s) for each managed account, and
- A copy of the document pursuant to which the managed account grants the CTA discretionary trading authority or control over its clearing account(s).

| Managed Account's <u>Full</u> Legal Name | Country of Incorporation | Clearing Firm Name | Account Number(s) |
