

Certification Environment Connectivity

CME offers its customers multiple options for access to its New Release and Certification [environments](#).

- [Certification Virtual Private Network](#)
- [Cert Data Center](#)
- [Sample Cisco Router Configurations](#)

Certification Connection Request Form

New and existing CME customers who require access to CME's certification environments must complete and submit the Schedule B form to their [Global Account Manager](#). To obtain the form or to request additional information contact your Global Account Manager. Once your request has been processed, you will be contacted by a CME representative.
