

# EBS Reject Codes

This topic lists the iLink 3 EBS Market reject codes and the accompanying text explanation in 58-Text sent in the reject response to an inbound iLink 3 message.

iLink 3 Binary Order Entry for EBS Market uses the same reject text and error code as [CME Globex futures and options](#) except those listed below.

- New EBS error codes are in the range of 4000 to 5000
- Certain EBS rejects use the same text and error code as [BrokerTec](#)
