

iLink 2 Application Message Formats

This page lists the application messages used to transact business functions on the CME Globex platform. Typically, a message sent from the client system to CME Globex will elicit a response message from CME Globex.

From Client System to CME Globex

- **iLink 2 New Order** - submit a new order on an instrument
- **iLink 2 Order Cancel Request** - cancel an accepted order
- **Order Cancel/Replace Request** - cancel an accepted order and replace it with a new order
- **iLink 2 Order Status Request** - request status of an order, e.g. filled, cancelled, etc.
- **iLink 2 Quote Request** - solicit a quote for an instrument
- **iLink 2 Security Definition Request** - create a User Defined Spread (UDS) instrument
- **iLink 2 New Order Cross** - submit a two-sided order submitted by a single party/broker at the same price and quantity
- **iLink 2 Mass Quote** - submit bid/ask pairs and generate two-sided markets for multiple instruments for CME Group options
- **iLink 2 Quote Cancel** - cancel one or more quotes
- **iLink 2 Order Mass Status Request** - request the status of multiple orders
- **iLink 2 Order Mass Action Request** - cancel multiple orders.

From CME Globex to Client System
