**RE: Modifications to the Micro Cryptocurrency Futures Market Maker Program
CME Submission No. 26-017**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of modifications to the Micro Cryptocurrency Futures Market Maker Program ("Program"). The modifications to the Program will become effective on February 1, 2026.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. Exchange staff will monitor trading in the Program's products in order to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The Program does not impact the Exchange's order execution. Participants in the Program will be selected by CME staff using criteria as set forth in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with CME in which each participant will expressly agree to comply with, and be subject to, applicable regulations and Exchange rules. Additionally, the Program is subject to the Exchange's record retention policies, which comply with the CEA.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com.

Sincerely,

/s/ Maureen Guilfoile
Managing Director and Chief Regulatory Counsel

Attachment: Exhibit 1

EXHIBIT 1

Micro Cryptocurrency Futures Market Maker Program

Program Purpose

The purpose of this Program is to encourage participants to support the development of the products listed below. A more liquid contract benefits all participants in the marketplace.

Product Scope

Micro Bitcoin Futures (“MBT”), Micro Ether Futures (“MET”), ~~and~~ Micro SOL Futures (“MSL”), and Micro XRP Futures (“MXP”) that are traded on the CME Globex Platform (“Products”).

Eligible Participants

There is no limit to the number of participants that may enroll in the Program. Participants may be CME members or non-members.

Program Term

Start date is February 1, 2025. End date is ~~January 31, 2026~~ July 31, 2026, or the date on which the Exchange determines to modify, extend, or terminate the Program. Participants will be given notice of any changes to the Program Term.

Hours

5:00PM – 4:00PM CT (+1).

Obligations

In order to be eligible to receive the incentives, participants must quote two-sided markets in the Products, at predetermined bid/ask spreads and minimum quote sizes during a specified percentage of time-in-market.

Incentives

Upon meeting the obligations, as determined by the Exchange, participants will receive predetermined incentives.

Monitoring and Termination of Status

The Exchange shall monitor trading activity and participants' performance and retains the right to revoke participant status if it concludes from review that a participant has not met the obligations of the Program.
