347A02. EXERCISE AND ASSIGNMENT
In addition to the applicable procedures and requirements of Chapter 7, the following shall apply to
the exercise of options.

347A02.A. Exercise
Options may not be exercised prior to their termination of trading. They may be exercised only at,
and not before, its expiration. Following the termination of trading any option that is in the money
shall be automatically exercised by the Clearing House, and any such option that is out of the money
shall be abandoned by the Clearing House. For the avoidance of doubt, no such option that expires
in the money may be abandoned, and no such option that expires out of the money may be exercised.

1. Monthly Options

An expiring Monthly call option (Rule 347A01.D.1.) shall be in the money if the corresponding Final
Settlement Price for the Underlying Futures Contract (Rule 34703.A.) is at or above such option’s
exercise price and shall be out of the money if the corresponding Final Settlement Price is strictly
below such option’s exercise price.

An expiring Monthly put option (Rule 347A01.D.1.) shall be in the money if the corresponding Final
Settlement Price for the Underlying Futures Contract (Rule 34703.A.) is strictly below such option’s
exercise price and shall be out of the money if the corresponding Final Settlement Price is at or above
such option’s exercise price.

2. Weekly Options
For Options other than Monthly Options, whether an option expires in the money or out of the money
shall be determined by the Exchange, in its sole discretion, by reference to the Fixing Price of such
option, as follows:

Such Fixing Price shall be based on the notionally-adjusted volume-weighted average price of
transactions in Ether Futures and Micro Ether Futures on the CME Globex electronic trading platform
during the last thirty (30) minutes of trading on expiration day (3:30:00 p.m. – 3:59:59 p.m. London
time).

In the event such Fixing Price calculation cannot be determined pursuant to the above calculation,
the Exchange, in its sole discretion, shall set such Fixing Price by alternative means.

An expiring Weekly call option (Rule 347A01.F.2.), shall be in the money if the corresponding Fixing
Price for the Underlying Futures Contract is at or above such option’s exercise price, and shall be
out of the money if the corresponding Fixing Price is strictly below such option’s exercise price.

An expiring Weekly put option (Rule 347A01.F.2.), shall be in the money if the corresponding Fixing
Price for the Underlying Futures Contract is strictly below such option’s exercise price, and shall be
out of the money if the corresponding Fixing Price is at or above such option’s exercise price.

347A02.B. Assignment

Upon exercise of a put option on behalf of the long holder of such option, the short holder of such
option shall incur the obligation to assume a long position in one Underlying Futures Contract (Rule
347A01.F.) at such option’s exercise price (Rule 347A01.G.). Upon exercise of a call option on behalf
of the long holder of such option, the short holder of such option shall incur the obligation to assume
a short position in one Underlying Futures Contract at such option’s exercise price.

All such futures positions shall be assigned at a price equal to the exercise price of such option
contract, and shall be marked to market (in accordance with Rule 814) on the Business Day on which
the Clearing House automatically exercises such.
