ARTICLE 1 MEMBERSHIP

Section 100. CATEGORIES, NUMBER OF MEMBERSHIPS

(A) There will be two categories of membership in COMEX: the NYMEX Membership (of which only one will be issued) and COMEX Division Memberships. Only NYMEX shall have the voting, liquidation and the other rights and privileges of a member under the New York Not-For-Profit Corporation Law (the "NPCL"), such power to be exercised pursuant to the terms of these By-Laws.

(B) The number of COMEX Division Memberships is limited to 772. Holders of the COMEX Division Memberships will not have any ownership or other rights under the NPCL but will have the rights contained in these By-Laws. Except as expressly provided in these By-Laws, the holders of COMEX Division Memberships, in their capacity as such, shall have no voting rights.

Section 101. ELIGIBILITY CRITERIA AND PROCEDURES

(A) Subject to the terms of Section 158(C)(2), the Board may adopt, from time to time, Rules relating to criteria for eligibility for membership and procedures for becoming a member and any requirements or procedures for the acquisition or transfer of a membership as it may determine.

(B) Subject to the terms of Section 158(C)(3)(b), the Board may adopt, from time to time, Rules relating to eligibility and application procedures for Floor Members as it shall determine.

Section 102. FINANCIAL STANDARDS

(A) The Board may adopt, from time to time, Rules relating to financial standards applicable to Members and Member Firms as a condition to becoming a Member and continuing as a Member. Subject to the terms of Section 158(C)(2), such financial standards may differ among different categories of membership as determined by the Board in its discretion.

(B) Any Member who is registered with the Commission shall comply with such rules and regulations as the Commission adopts relating to financial requirements.

Section 103. DUES

The Board may assess such dues upon each owner of a COMEX Division Membership as it determines, but in no greater amount than those dues imposed on each owner of a NYMEX Division Membership. The Board may also, in its discretion, waive the payment of dues by owners of COMEX Division Memberships. Dues assessed on COMEX Division Members shall be applied pro rata among all owners of COMEX Division Memberships on the basis of the number of regular memberships held, including, for these purposes, regular memberships held by the Exchange or its Affiliates, and are payable by the owner of the COMEX Division Membership in whose name the membership is registered.

Section 104. ASSESSMENTS

(A) The Board may levy such assessments upon each owner of a COMEX Division Membership as it determines, but in no greater amount than those imposed on each owner of a NYMEX Division Membership. The Board may also, in its discretion, waive the payment of such assessments by owners of COMEX Division Memberships.

(B) From time to time the COMEX Governors Committee may levy such assessments upon the COMEX Division Memberships as it determines to be necessary in its sole discretion to fund the costs and expenses of independent legal or other professional services to protect the COMEX Members' interests. Notwithstanding Section 104(C), such assessments shall be due and payable at such time as the COMEX Governors Committee may determine.

(C) All assessments are due and payable at such time as the Board may determine. All assessments on COMEX Division Members will be applied pro rata among all owners of COMEX Division Memberships based on the number of COMEX Division Memberships owned, including, for these purposes, regular memberships held by the Exchange or its Affiliates, and will be payable by the owner of the COMEX Division Membership in whose name the membership is registered.

Section 105. FEES

(A) Subject to the limitations set forth in these By-Laws, from time to time the Board may establish fees, in such amounts as it determines, on contracts traded on the COMEX Division. For the purposes of Sections 105(B) – (H) below, the term “fees” shall mean trade execution charges and related surcharges, of any kind or type (except for any lessee or licensee surcharges), as opposed to administrative fees set forth in Section 105(J).

(B) Open outcry fees for COMEX Division Members and non-members trading COMEX Division contracts shall not exceed electronic fees for the same or substantially equivalent products, including miNYs; provided, however, that when comparing fees,

contracts must be compared as if they were of equivalent contract size. For instance, the fee for an open outcry traded 100 oz. Gold future could not exceed the fees for two electronic 50 oz. Gold miNY contracts.

(C) (1) Subject to subsections (2) and (3) below, fees charged to owners of COMEX Division memberships (“COMEX Division Member Rates”) with respect to any COMEX Core Products or any New Metals Contracts (traded electronically or by open outcry) (a) shall be at least 50% lower than the respective fees charged to participants in the next highest tier of such fees (each, a “COMEX Fee Differential”, and collectively, the “COMEX Fee Differentials”) and (b) shall be the lowest tier with respect to such fees.

(2) In the event that the average member/non-member Fee Differential for all CME Core Products (on a weighted average per contract basis) becomes less than 50% (“Fee Differential Reduction”), the COMEX Fee Differential may be decreased below the 50% level to the same extent that such a decrease has occurred with respect to such Fee Differential Reduction. For example, if the average member/non-member Fee Differential for all CME Core Products is reduced to 40% (on a weighted average per contract basis), the COMEX Fee Differential may be decreased to 40%. Moreover, the COMEX Fee Differential may be reduced to the extent necessary to meet competitive conditions with respect to COMEX Core Products and New Metals Contracts with the prior consent of the COMEX Governors Committee.

(3) The following fees are excluded from the term “next highest tier of fees” as set forth in subsection (1):

- (a) Fee waivers (as set forth in subsection (D) below),
- (b) Cross-Divisional Trading Fees (as set forth in subsection (E) below),
- (c) Market Maker Fees (as set forth in subsections (F) below), and

(d) Volume discount and targeted incentive fees. The volume discount fees are discounted non-member fees applicable to specified contracts (with respect to commodity, geographic region or such other descriptive criteria) once certain volume thresholds are met, which such volume thresholds shall be set at a commercially reasonable level such that they are designed to apply to no more than 20% of total non-member volume with respect to such contracts. The targeted incentive fees are discounted non-member fees applicable to specified contracts (with respect to commodity, geographic region or such other descriptive criteria) to customers satisfying such incentive program’s eligibility criteria, which such criteria shall be determined such that they are designed to apply to no more than 20% of total non-member volume with respect to such contracts. The discounted non-member fee must be at least 25% greater than the applicable COMEX Division member fee at all times. For instance, if the member fee were \$.40, then the discounted non-member rate would not be less than \$.50. NYMEX will review these fees on at least a quarterly basis to determine whether the applicable 20% caps are being met and will use commercially reasonable efforts to readjust the volume thresholds in order to

achieve such 20% caps.

(e) Permittee fees for permits established in accordance with Section 157(H), provided, however, that no permittee fee shall be lower than the applicable COMEX Division member fees.

(f) Fees charged to COMEX Division Lessees or Licensees and COMEX Option Members.

(D) Fee Waivers. NYMEX may institute fee waivers for any COMEX contract, for up to a six-month period with extension for additional six-month periods after prior reasonable consultation with (but not requiring the approval of) the COMEX Governors Committee. In the event that fee waivers are provided to non-COMEX Division Members for any COMEX contract, fees for that contract must also be waived for COMEX Division Members.

(E) Cross-Divisional Trading (1) Until December 31, 2014, the fees charged with respect to open outcry trading of NYMEX Division contracts by COMEX Division Members (or COMEX Division contracts by NYMEX Division Members), who are natural persons who own the relevant membership and are not persons who lease or license memberships, as customers from off the floor for their own accounts (but not for the account of a Member Firm or any other business association) shall be established by the Board and shall be equal to the mean between the lowest fees charged to owners of COMEX Division memberships for open outcry contracts traded on the COMEX Division and the highest tier of fees charged to non-members for open outcry contracts traded on the COMEX Division; provided, however, that in no event shall fees charged to COMEX Division Members trading NYMEX Division contracts be less than fees charged to NYMEX Division Members trading NYMEX Division contracts.

(2) Until December 31, 2014, with respect to cross-divisional trading of contracts traded on an Electronic Trading System with respect to COMEX Division or NYMEX Division Members, as applicable, who are natural persons who own the relevant membership and not persons who lease or license memberships, as customers for their own accounts (but not for the account of a Member Firm or any other business association) shall be established by the Board and shall be equal to, on a per contract basis:

(i) for COMEX Division Members trading NYMEX Division products: the mean between the lowest such fees charged to owners of NYMEX Division memberships and the highest tier of fees charged to non-members for such contracts traded on the NYMEX Division; and

(ii) for NYMEX Division Members trading COMEX Division products: the mean between the lowest such fees charged to owners of COMEX Division memberships and the highest tier of fees charged to non-members for such contracts traded on the COMEX Division.

(3) After December 31, 2014, the Board, in its sole discretion, shall determine whether to permit cross-divisional trading at discounted fees and to determine any fees relative to cross-divisional trading; provided, however, that in the event NYMEX Division Members are provided discounted fees for trading COMEX Division contracts, COMEX Division members shall be provided discounted fees on an equivalent basis for trading NYMEX Division contracts.

(F) Market Makers. NYMEX may appoint in its sole discretion individuals and firms to act as “market makers” for each COMEX Division product traded electronically in order to promote market liquidity. NYMEX will make reasonable efforts to identify COMEX Division Members for market-maker positions and to consult with members of the COMEX Governors Committee prior to the establishment of a market-maker program.

(G) Except as set forth in this subsection (G), the provisions of Section 105 shall not apply to products listed for clearing only (which are currently listed on NYMEX ClearPort[®] Clearing). For NYMEX ClearPort[®] Clearing products where metals are the underlying commodity, if NYMEX Division Members are provided a member fee for NYMEX ClearPort[®] Clearing products where NYMEX Core Products are the underlying commodity, COMEX Members will receive a member fee on a per product basis not greater than seventy percent (70%) of the fee charged from time-to-time to non-members for trading such metals products provided that the applicable COMEX Division Members meet the regulatory requirements set by the CFTC and NYMEX for such trading.

(H) If NYMEX obtains the right for NYMEX Division Members to trade on another exchange any (i) COMEX Core Products contracts, or (ii) New Metals Contracts, or (iii) any contracts that are competitive with NYMEX Core Products, at a percentage discount from what would be charged to members of the public for trading such contracts, and if that other exchange lists COMEX Core Products contracts or New Metals Contracts of any kind, then NYMEX shall obtain for the COMEX Division Members the right to trade each of such Contracts at the same percentage discount.

(I) The current surcharge charged to lessees or licensees of COMEX Division Memberships may not be decreased below current levels as of November 20, 2006 without the prior consent of the COMEX Governors Committee in its sole discretion.

(J) NYMEX may impose administrative fees, such as booth, telephone, electronic terminal, bandwidth or similar fees, on the COMEX Division Members on a uniform basis as a class; provided, however, that such fees shall be reasonably related to actual expense increases faced by NYMEX and such fees charged to COMEX Division Members may not exceed those charged to NYMEX Division Members.

(K) COMEX Division Members shall be entitled to COMEX Division Member Rates on all contracts for which the underlying commodity is one or more metals or alloys, other than platinum or palladium, if such contracts are listed for trading on the Chicago Board of Trade or the Chicago Mercantile Exchange.

Section 106. FAILURE TO PAY DUES, ASSESSMENTS AND FEES

(A) If a Member fails to pay any dues, assessments or fees when due and such failure is not cured within thirty (30) days after written notice to the Member by the COMEX Division that such dues, assessments or fees are due, such Member shall be suspended automatically from all rights and privileges of membership. Such suspension shall continue in effect until the failure is cured. The Executive Committee, upon written application received prior to the expiration of such period, may extend the thirty (30) day period, in its sole discretion.

(B) If a Member who is suspended under subsection (A) of this Rule fails to pay any dues, assessments or fees within thirty (30) days of the suspension, the Member shall be expelled from membership. The Board or the Executive Committee, upon written application received prior to the expiration of such thirty (30) day period and for good cause, may extend the thirty (30) day period.

(C) Any Member who fails to pay any dues, assessments or fees after written notice to the Member that such dues, assessments or fees are payable, shall pay a penalty, in addition to the sanctions imposed by this Section 106, as fixed from time to time by the Board but not less than twenty percent (20%) of the amount due.

Section 107. NOTICE OF DUES AND ASSESSMENTS

(A) Notice of all dues and assessments shall be published by the Exchange and shall be given: personally by delivery to a postal box located on the Exchange premises; or, by first class mail, postage prepaid and addressed to the Member at the address such member has filed with the Exchange. Notice, when mailed in accordance with this Section 107, shall be effective when mailed.

(B) Non-receipt of the notice shall not operate to relieve the Member from payment, to extend the time for payment or to relieve any Member from the imposition of penalties for failing to pay dues and assessments.

Section 108. EFFECT OF SUSPENSION OR EXPULSION OF MEMBERSHIP

(A) A Member or Member Firm whose rights and privileges of Membership have been suspended shall continue to be:

- (1) subject to the By-Laws and Rules of the Exchange;
- (2) liable for all dues, assessments, fees and fines imposed by the

Exchange; and

(3) obligated to the Exchange and to its Members for all contracts, obligations and liabilities entered into or incurred before, during and after such suspension.

(B) A Member or Member Firm who has been expelled from the rights and privileges of Membership shall continue to be:

(1) subject to the disciplinary and arbitration rules of the Exchange;

(2) liable for all dues, assessments, fees and fines imposed by the Exchange prior to such expulsion; and

(3) obligated to the Exchange and its Members for all contracts, obligations, liabilities, fines and penalties entered into or incurred prior to or after such expulsion.

Section 109. TRANSFER OF MEMBERSHIP

(A) Membership in the Exchange is only transferable pursuant to the terms and conditions established by the By-Laws and the Rules.

(B) A Member who is the subject of any disciplinary proceeding or investigation by the Exchange may transfer a membership pursuant to the terms and conditions established by the By-Laws and Rules.

(C) Transfer restrictions on COMEX Division Memberships shall be subject to the provisions of Section 158 (C).

Section 110. DISCLOSURE OF INFORMATION

The Exchange shall not disclose to any person any information regarding the financial condition of a Member or Member Firm or the transactions or positions of any Member or Member Firm or any person except:

(1) to any committee, officer, director, employee or agent of the Exchange authorized to receive such information within the scope of its or such person's duties;

(2) to any duly authorized representative of the Commission or other regulatory agency with jurisdiction over the Exchange requesting such information or to any duly authorized representative of any other regulatory or self-regulatory organization with which the Exchange, as approved by the Board, has entered into an information sharing agreement;

(3) as required by law;

(4) when the Member or Member Firm requests or consents to such disclosure; or

(5) that the Exchange may release such information in connection with any litigation involving the Exchange when, in the opinion of the Exchange, the information is relevant or the release of the information is necessary and appropriate to the conduct of such litigation.

Sections 111-149. [RESERVED]

Sections 150-156. [RESERVED]

Section 157. COMEX DIVISION MEMBERSHIP RIGHTS AND PRIVILEGES

(A) COMEX Division Members shall have the following rights and privileges:

(1) Trading in the gold, silver, copper and Eurotop 100 futures and option contracts that were traded on Commodity Exchange, Inc. immediately prior to August 3, 1994 and any replacement contracts for such contracts ("COMEX Division Replacement Contracts"), regardless of size, including trading such contracts through an Electronic Trading System, if such contracts are listed thereon for trading;

(2) Trading all "New Metals Contracts," defined as all contracts approved for trading after August 3, 1994 on any part of the Exchange, other than COMEX Division Replacement Contracts, for which the underlying commodity is one or more metals or alloys, other than platinum, palladium or an alloy containing one or more of those metals approved for trading on the Exchange at any time ("Platinum/Palladium Contracts"), including trading such contracts through an Electronic Trading System, if such contracts are listed thereon for trading;

(3) Proprietary trading in each contract approved for trading on any part of the Exchange after August 3, 1994, including through an Electronic Trading System if such contract is listed thereon for trading, for which the underlying commodity is a hydrocarbon, fossil fuel or other energy source or other energy source derived from another energy source ("New Energy Contract") for a period of two years (unless extended by the Board in its sole discretion) after the date such contract commences trading on the Exchange, provided that for this purpose "New Energy Contracts" does not include contracts introduced as replacements for other contracts previously traded on the Exchange ("Replacement Contracts") regardless of whether permit programs on such contracts are implemented;

(4) Trading in each contract approved for trading on any part of the Exchange, after August 3, 1994, including through an Electronic Trading System if such

contract is listed thereon for trading, which is not a New Energy Contract, a Replacement Contract or a New Metals Contract ("New Contract"), for period of two years after the date the contract commences trading on the Exchange;

(5) Proprietary trading in each New Contract approved for trading on any part of the Exchange, after August 3, 1994, including through an Electronic Trading System if such contract is listed thereon for trading, which is not a New Energy Contract, a Replacement Contract or a New Metals Contract, provided that such limited trading privileges will be non-transferable and will be available as to any particular contract only to a COMEX Division Member who is an individual owner of COMEX Division Memberships as of the date six months prior to the date trading in that contract commences, and will continue as to that contract only for so long as such COMEX Division Member continues to own a COMEX Division Membership;

(6) Proprietary trading in Platinum/Palladium Contracts, including through an Electronic Trading System if such contract is listed thereon for trading; and

(7) Proprietary trading until November 20, 2011 (unless such privileges are extended in accordance with Section 105(F)) of contracts traded on the NYMEX Division, through an Electronic Trading System, on terms set forth in Section 105(F).

(B) NYMEX Division Members shall have the following trading rights on the COMEX Division (in the case of clauses (3) and (4) below) and the NYMEX Division (in the case of clauses (1) and (2) below) in addition to their other trading rights and privileges on the NYMEX Division:

(1) trading in Platinum/Palladium Contracts;

(2) trading in New Energy Contracts and new non-metals, non-energy contracts;

(3) Proprietary trading in Eurotop 100 futures and options contracts and New Metals Contracts including through an Electronic Trading System if such contract is listed thereon for trading; and

(4) Proprietary trading until November 20, 2011 (unless such privileges are extended in accordance with Section 105(F)) of contracts traded on the COMEX Division, executed through an Electronic Trading System, on terms set forth in Section 105(F).

(C) The rights and privileges set forth in Section 157(A)(3), (5), (6) and (7) shall be exercisable only by COMEX Division Members who are natural persons and not by persons who lease or license memberships, and the rights and privileges set forth in Section 157(A)(4) shall be exercisable only by COMEX Division Members who are natural persons or COMEX Division Member Firms and not by persons who lease or license their memberships. In the case of the NYMEX Division Members, the provisions set forth in Section 157(B)(3) and (4) shall be exercisable only by NYMEX Division Members who are natural persons and not by persons who lease or license memberships.

(D) COMEX Division Members shall have the rights and privileges to continue dual trading in contracts traded on the COMEX Division (to the extent permitted by law) on terms no more restrictive than those imposed for contracts traded on the NYMEX Division.

(E) If the Exchange at any time acquires, is acquired by or merges with or into or otherwise consolidates with, another entity (or sells substantially all of its assets to or acquires substantially all of the assets of any such entity) (i) COMEX Division Members shall retain in the surviving or resulting entity all of their existing rights and privileges under these By-Laws (to the extent that such rights have not expired in accordance with their terms) except that COMEX Division Members will not have trading rights on the surviving or resulting entity under Sections 157(A)(4) and (5) (except those rights that were in existence with respect to contracts being traded at the time of the merger, acquisition, consolidation or sale of assets) and (ii) NYMEX shall use commercially reasonable efforts to obtain trading rights in the surviving or resulting entity for subsequent New Contracts.

(F) COMEX Division Members will have the right to receive an amount equal to \$10 million (to be distributed among the holders of COMEX Division memberships pro rata, based on the number of memberships owned of record by each of them on the effective date of the registration statement referred to below) upon the receipt by NYMEX of the net proceeds of a NYMEX IPO (as hereinafter defined); provided, however, that NYMEX shall deposit \$500,000 into an account which shall be used to pay for the costs and expenses associated with protecting the interests of the COMEX Members. These amounts shall be disbursed at the written direction of the Governors Committee and shall be used to pay for the costs and expenses associated with protecting the interest of the COMEX Division Members. Any amounts deposited pursuant to this Section 157(F) shall be the property of the COMEX Division Members as they may be from time to time. "NYMEX IPO" means a public offering for cash of equity securities pursuant to a registration statement filed under the Securities Act of 1933 by NYMEX, any holding company which holds a controlling interest in NYMEX, or any entity which owns or operates all or substantially all of the business or assets which are owned by NYMEX immediately following August 3, 1994.

(G) Trading privileges and other rights appurtenant to membership in the COMEX Division will be transferable (by sale, lease, license or otherwise). Any right appurtenant to membership to trade through an Electronic Trading System may only be transferred through a sale, lease or license of the entire membership; provided, however, that if NYMEX Division Members are given the right to separately lease or license the right to trade electronically at member fees, COMEX Division Members will also be granted this right.

(H) NYMEX will not issue trading permits to trade any COMEX Core Products (or COMEX Division Replacement Contracts), regardless of size, by open outcry. NYMEX may issue trading permits to trade any New Metals product by open outcry for a period not to exceed two years after the commencement of trading of such New Metals product.

(I) For the purposes of this Section 157, contracts in jet fuel will be considered New Energy Contracts; contracts in aluminum will be considered New Metals Contracts;

and contracts in sour crude oil and platinum and palladium will not be deemed included in the contracts described in Section 157(A)(1).

Section 158. ADDITIONAL COMEX DIVISION MEMBER RIGHTS

In addition to the privileges set forth in Section 157 and any other rights contained in these By-Laws, COMEX Division Members shall also have the following member rights:

(A) Open Outcry. Until November 20, 2011, NYMEX will not eliminate, suspend or restrict open outcry trading of any COMEX Core Product (regardless of size) or any COMEX Division Replacement Contract. After November 20, 2011, the Board may eliminate, suspend or restrict open outcry trading of any COMEX Core Product or any COMEX Division Replacement Contract in its sole discretion.

(1) For as long as open outcry exists on the COMEX Division, the COMEX Division Members shall have the exclusive right to trade COMEX Core Products (regardless of size), and any COMEX Division Replacement Contracts, on the floor via open outcry. This right includes the trading of futures and options on COMEX Core Products and COMEX Division Replacement Contracts and the ability to post EFPs for such contracts on the floor of the Exchange; provided, however, that nothing in this Section shall affect the rights of COMEX Option Members to trade pursuant to the Rules.

(2) Trading Hours. NYMEX will consult with (but will not be required to obtain the approval of) the COMEX Governors Committee before proposing any change to open outcry trading hours for any COMEX Division contracts traded via open outcry. In addition, NYMEX may only change COMEX open outcry trading hours (i) if, within 15 days of the issuance of written notice to the COMEX Division Members proposing such changes, there is no written demand for a COMEX Division Member meeting to vote on such changes made by 10% or more of the 772 COMEX Division memberships eligible to vote or (ii) if such written demand for a meeting is made by the owners representing 10% or more of the 772 COMEX memberships within 15 days after the issuance of a written notice then by the approval of the eligible voters representing at least a majority of the COMEX memberships actually voting (in person or by proxy) at a member meeting. The provisions of this Section 158(A)(1) shall not apply to a temporary change on business days preceding an official Exchange holiday or to any temporary change in trading hours implemented by the Exchange in response to a physical or other emergency.

(3) Contract Specifications. (a) Until November 20, 2011 and except as otherwise provided in Section 158(A)(2), NYMEX will not establish or amend the contract terms and conditions of COMEX Core Products traded by open outcry (regardless of size), or any COMEX Division Replacement Contracts traded by open outcry, without the prior approval of the COMEX Governors Committee, in its sole discretion. This provision does not apply to COMEX Core Products (regardless of size) traded exclusively via electronic means.

(b) After November 20, 2011, NYMEX will have complete discretion to establish or amend the terms and conditions of COMEX Core Products (and any COMEX Division Replacement Contracts) to the extent necessary in order for the Exchange to meet competitive conditions with respect to such COMEX Contracts.

(c) Until November 20, 2011, NYMEX will first consult with (but will not be required to obtain the approval of) the COMEX Governors Committee prior to establishing or changing any terms and conditions for any New Metals Contracts.

(B) Facility. (1) For as long as open outcry trading exists on the COMEX Division (but in all events until November 20, 2012), NYMEX shall (i) maintain the COMEX Division's current facility for such open outcry market, or a facility comparable thereto, for the dissemination of price information and for open outcry trading, clearing and delivery, (ii) provide reasonable financial support for technology, marketing and research for open outcry markets, and (iii) subject to Section 158(B)(2) and (3), provide reasonable floor space at such facility for open outcry trading of COMEX contracts.

(2) NYMEX will not reduce current COMEX Division floor space before November 20, 2009 without the prior consent of the COMEX Governors Committee in its sole discretion.

(3) Beginning November 20, 2009 through November 20, 2011, no reduction in the aggregate size of current COMEX Division floor space may be made to reduce the aggregate size of COMEX current floor space if average daily COMEX Core Product open outcry volume in any consecutive six-month period (on a rolling six-month basis commencing six months prior to November 20, 2009) is less than 40% of volume levels based on the average daily volume for the three-month period August 1, 2006 through October 31, 2006; any such reduction should be in proportion to the level of volume decrease. For example, in the event that COMEX volume were to drop 50% for a six-month period in year 5 (as compared with the base volume figure), the floor space may be reduced up to 50%. The calculations pursuant to this provision shall not include any period in which the Board has taken emergency action.

(C) Membership Privileges

(1) NYMEX may not impose membership transfer restrictions on COMEX Division Members that are more restrictive than those imposed on NYMEX Division Members.

(2) NYMEX may make changes to capital or eligibility requirements for becoming and maintaining Member or non-Clearing Member Firm status; provided that any such changes that are material must be reasonably related to then-current market conditions and commonly accepted industry practices. Notwithstanding anything in this paragraph or in these By-Laws (including, without limitation, Section 601) all clearing members for COMEX Division contracts shall be required to own at least two COMEX trading rights as a condition for such clearing membership.

(3) (a) For products traded electronically, NYMEX shall provide COMEX Division Members with the same electronic trading privileges provided to NYMEX Division Members in NYMEX By-Law Section 311(F)(1), as may be amended from time to time; provided that any additional ability to lease or license electronic trading privileges or creation of additional electronic trading privileges associated with a NYMEX Class A Membership provided to NYMEX Division Members shall also be provided to COMEX Division Members. Nothing in this subsection shall prohibit NYMEX from providing additional electronic trading privileges in accordance with Section 158(E).

(b) NYMEX will have the right to require that COMEX Division Member Firms hold two COMEX trading rights plus the associated equity for those trading rights if legally permitted. If at any time member firms are required to hold equity, then the COMEX Governors Committee will be entitled to create a new "floor broker" membership classification. A Floor Broker who wished to qualify under such category (i) would be required to hold two COMEX Division trading rights but would not be required to retain the associated equity and (ii) would be entitled to have two bona fide employees, who may be COMEX Division lessees or licensees who will be permitted to trade on behalf of the floor broker and/or his customers without a lessee or licensee surcharge.

(4) COMEX Division Members' and COMEX Option Members' life insurance, disability, health and other welfare benefit plans, programs, policies and arrangements (as applicable) (other than the COMEX MRRP) shall remain in effect to the same extent as NYMEX Division Members. COMEX Division Members' and COMEX Option Members' rights under the Recognition and Retention Plan for Members of Commodity Exchange, Inc. (the "COMEX MRRP") shall continue to be governed by the terms of the COMEX MRRP and unaffected by these By-Laws.

(D) Notwithstanding the foregoing, the Board may take whatever action necessary in response to an "Emergency" as set forth in Article 7 of these By-Laws as well as any other action as may be required by applicable law or regulation; provided, however, that the Board will use all commercially reasonable efforts to take the steps necessary to ensure that any action taken or rule enacted pursuant to an emergency action is temporary in nature and is consistent with the rights granted under this Section 158.

(E) Notwithstanding anything to the contrary in the By-Laws:

(1) The Board will have the right to list electronically for both overnight and side-by-side (i.e., electronically and open outcry trading simultaneously during regular trading hours) trading all COMEX Division contracts. This will include the full-size and miNY gold, silver, copper and Eurotop 100 contracts. In addition, New Metals contracts may be listed electronically (or otherwise) under the same parameters and NYMEX ClearPort[®] Clearing contracts on metals products may be listed for clearing. In addition, the Board will have the right to create a mechanism to post EFPs electronically.

(2) The Board, in its sole discretion, shall have the ability to make additional electronic trading privileges available to trade the products as set forth above

without limitation subject to Sections 105(G) and 158(C)(3)(a).

Section 202. SPECIAL MEETINGS OF COMEX DIVISION MEMBERS

(A) Special meetings of the COMEX Division Members may be called by the Board or by the Chairman in their discretion. In addition, special meetings of COMEX Division Members may be called at any time by the COMEX Governors Committee or by the Chairman thereof in their discretion.

(B) A special meeting of COMEX Division Members shall be called by the Chairman or by the Secretary upon receipt by the Chairman or by the Secretary of a written demand of COMEX Division Members entitled to cast twenty percent (20%) of the total number of votes entitled to be cast at such meeting. Any such written demand shall specify the purpose of such special meeting and the special meeting so called shall be limited to

the purpose so set forth. The written demand shall also specify the date of such special meeting which shall be a business day not less than sixty (60) or more than ninety (90) days from the date of such written demand.

Section 203. NOTICE OF MEETING

(A) Notice of the annual meeting of COMEX Division Members shall state the place, date and time of such meeting.

(B) Notice of any special meeting of COMEX Division Members shall state the place, date and time of such special meeting, the purposes for which such meeting is called and shall indicate that it is being issued by or at the direction of the person or persons calling the special meeting.

(C) The President or the Secretary shall issue all notices of meetings of COMEX Division Members.

(D) A copy of the notice of any meeting of COMEX Division Members shall be given personally, or by delivery to a postal box located on the Exchange premises or by first class mail, postage prepaid and addressed to each COMEX Division Member at his address as it appears in the records of the Exchange. Notice of a meeting, when mailed in accordance with this Section 203(D), shall be effective when mailed. Notice of any meeting of COMEX Division Members shall be given not less than ten (10) nor more than fifty (50) days prior to the date of the meeting.

Section 204. QUORUM OF MEMBERS

One hundred fifty (150) COMEX Division memberships, whether present in person or by proxy, shall constitute a quorum for the transaction of any permitted business at any meeting of COMEX Division Members held in accordance with these By-Laws. A majority of COMEX Division memberships present may adjourn a meeting despite the absence of a quorum.

Section 205. VOTING

(A) Except as otherwise provided in the By-Laws, only the owner of the NYMEX Membership shall be entitled to vote. NYMEX Division Member Directors, the Chairman and the Vice Chairman shall be elected at a meeting of NYMEX.

(B) The seven members of the COMEX Governors Committee referred to in Section 201(B), including the Chairman of that Committee, shall be elected by a plurality of the votes cast at the annual meeting of COMEX Division Members. Except as provided in the preceding sentence, to the extent permitted by law and except as provided in Section

500(B), any action of the COMEX Division taken by a vote of the NYMEX or COMEX Division Members requires a vote of a majority of the votes cast in person or by proxy at a meeting of Members of that class by the Members entitled to vote thereon. Blank ballots or abstentions shall not be counted in the number of votes cast. On any matter with respect to which COMEX Division Members are entitled to vote, COMEX Division Members will have one vote per COMEX Division Membership owned, and COMEX Division Memberships held by the Exchange or its successor in interest or any of its Affiliates shall not be entitled to vote.

(C) The record date for the determination of COMEX Division Members entitled to vote at any meeting shall be the close of business on the day next preceding the day on which notice is given but shall not be less than ten (10) nor more than fifty (50) days prior to the date of the meeting.

Notice of any action with respect to Special Matters taken pursuant to clause (i) above shall be given personally, electronically or by delivery to a postal box located on the Exchange premises or by first class mail, postage prepaid and addressed to each COMEX Division Member at his address as it appears in the records of the Exchange. Notice of such action, when mailed in accordance with this Section 205(D), shall be effective when mailed. Notice of any such action shall be given promptly after such action.

The Special Matters are:

(1) Any change in the COMEX Member Retention and Retirement Plan as in effect on August 3, 1994;

(2) Any amendment to Sections 103, 104, 157(H), 202, 203, 204, 205(B)

and (C), 206, 402(E) and (F), and Article 4A (except Section 400A which may only be amended in accordance with Section 500(B)).

(E) Notwithstanding the foregoing provisions of Section 205(D), Section 205(D) shall not apply to emergency actions taken pursuant to Article 7. The Board of Directors will use all commercially reasonable efforts to take steps necessary (unless otherwise required by law) to ensure that any action taken or rule enacted pursuant to an emergency action is temporary in nature and is consistent with the rights granted to COMEX Division Members pursuant to these By-Laws and the Rules.

Section 206. PROXIES

(A) A COMEX Division Member entitled to vote at a meeting of COMEX Division Members may authorize another COMEX Division Member to act for him by proxy.

(B) Every proxy must be in writing and signed by the COMEX Division Member.

Section 207. PETITION RIGHTS

Any matter shall be placed on the agenda for a regular meeting of the Board (or, at the option of the Board, on the agenda of a special meeting of the Board to be called prior to the date of the next regular meeting of the Board) upon receipt by the Secretary of a written request to so include such matter signed by 10% of COMEX Division Members. Any such written request shall specify the purpose of such request and shall be submitted to the Secretary not less than 10 or more than 50 days before the date of such Board meeting. Notwithstanding the foregoing, the Board shall have no obligation to vote upon the matter or matters contained in such written request.

ARTICLE 3 GOVERNMENT AND ADMINISTRATION

Section 300. COMPOSITION OF BOARD

(A) The governance of the COMEX Division shall be vested in the Board which shall be elected by NYMEX and shall consist of the fifteen (15) persons who serve as Directors on the NYMEX board.

Section 301. POWERS OF THE BOARD

(A) Subject to Sections 105, 157, 158, 205(D) and 500(B), the COMEX Division shall be managed by the Board which is vested with all powers necessary and proper for the government of the COMEX Division, the regulation and conduct of Members and Member Firms, and for the promotion of the welfare, objects and purposes of the COMEX Division. Subject to Sections 105, 157, 158, 205(D) and 500(B), the Board shall have control over and management of, the property, business and finances of the COMEX Division. Subject to Sections 105, 157, 158, 205(D) and 500(B) of these By-Laws, the Board may also adopt, amend, rescind or interpret the Rules of the COMEX Division as it deems necessary and appropriate.

(B) Without limiting the generality of the foregoing and subject to paragraph (D) of this Section, the Board shall have the following powers:

(1) the Board may make such expenditures as it deems necessary for the best interests of the COMEX Division;

(2) the Board may fix, from time to time, the fees or other compensation to Directors and to Members of any committee of the Board for services rendered in performing these duties as such, including compensation for Public or Independent Directors may differ from the compensation for other Directors;

(3) the Board shall have the power to take such action as may be necessary to effectuate any final order or decision of the Commodity Futures Trading Commission taken under authority of the Commodity Exchange Act and necessary to comply in all respects with any requirements applicable to the COMEX Division under the Act; and

(4) the Board shall have the power to adopt arbitration rules for the settlement of claims, grievances, disputes and controversies.

(C) The Board may designate by resolution, from time to time, such committees as it may deem necessary or appropriate, and delegate to such committees the authority of

the Board to the extent provided in these By-Laws or in such resolution, subject to any applicable provision of law.

(D) No action taken by the Board of Directors with respect to any Special Matter shall be effective without either (i) the prior consent of the COMEX Governors Committee as provided in Section 205 of these By-Laws which shall be subject to the veto rights of the COMEX Division Members provided for in Section 205(D) or (ii) the prior approval of COMEX Division Members in accordance with the provisions of Section 205(D).

Section 302. CHAIRMAN OF THE BOARD OF DIRECTORS

(A) NYMEX shall designate the Chairman of NYMEX as the Chairman.

(B) The Chairman shall be an *ex-officio* member of all Committees.

(C) The Chairman shall have such authority and perform such duties as are incident to his office. He shall present any reports of the Board at meetings of Members. Whenever he deems it appropriate, the Chairman may communicate to the Board or to the Members any ideas and suggestions which tend, in his opinion, to promote the welfare and usefulness of the COMEX Division. The Chairman shall have a vote on all questions at all meetings of the Board or of the Members.

Section 303. VICE CHAIRMAN OF THE BOARD OF DIRECTORS

(A) NYMEX shall designate the Vice Chairman of NYMEX as the Vice Chairman.

(B) If the Chairman is absent or unable to perform his duties, the Vice Chairman shall exercise and shall perform the duties of the Chairman. If both the Chairman and the Vice Chairman are absent or unable to perform the duties of Chairman, the President shall exercise and perform the duties of the Chairman. If the Chairman, Vice Chairman and President are all absent or unable to perform the duties of Chairman, a quorum of the Board, by majority vote, may choose an acting chairman from the remaining Directors.

Section 304 – 306. [RESERVED]

Section 307. RESIGNATION AND REMOVAL OF DIRECTORS

(A) Any Director may resign at any time by tendering written notice of his resignation to the Board. Any resignation unless conditioned on acceptance, will be effective on the date stated in the notice or, if no date is stated, on the date tendered. Further, a resignation from the board of directors of NYMEX shall be deemed a simultaneous resignation from the Board. NYMEX shall take such action, including, without

limitation, removing a Director, as required to ensure that the members of the Board are identical to the members of the board of NYMEX.

Section 308. FILLING OF VACANCIES

(A) In the event there is a vacancy among the Directors caused by the death, removal or resignation of Director, such vacancy shall be filled by a vote of NYMEX.

(B) A Director, other than the Chairman or Vice Chairman, appointed to fill a vacancy under this Section 308 shall hold office until the next annual meeting of members and until his successor is elected or appointed and qualified. Such successor, and any person elected to fill an unfilled vacancy or to replace a resigning Director shall be elected for a term of such length as would have remained in the term of the Director whose death, removal or resignation caused the vacancy. If no time would have remained in such term, such successor shall be elected for a full term.

Section 309. MEETINGS OF THE BOARD

(A) Regular meetings of the Board shall be held at such times as the Board deems appropriate. Regular meetings of the Board may be held without notice at such time and at such place as may from time to time be determined by the Board. Special meetings of the Board may be called by the Chairman, if there be one, the President, or by a majority of the Directors. Notice thereof stating the place, date and hour of the meeting shall be given to each Director either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone, telegram or electronic means on twenty-four (24) hours' notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

(B) The Chairman of the COMEX Governors Committee or his designee shall be entitled to attend all meetings of the NYMEX board and the Board in person, as an observer only, and not as a Director in accordance with Section 400A(D). The Chairman of the COMEX Governors Committee shall not, *ipso facto*, be a member of the Board, shall not have the right to vote at meetings of the Board and shall not be counted for purposes of determining whether a quorum exists. NYMEX shall use good faith efforts to provide notice of all NYMEX board and Board meetings in the same manner as notice is provided to Directors as set forth in this Section 309. The Chairman of the COMEX Governors Committee may address the Board in the same manner and subject to the same restrictions as apply to members of the Board. Inadvertent failure or inability to notify the Chairman of a meeting shall not affect the validity of any action taken at the meeting in his or their absence. The Chairman of the COMEX Governors Committee may, by action of the Board, be excluded from those portions of meetings of the Board (i) that relate exclusively to matters as to which the Board concludes, based on the advice of counsel, that the presence of the Chairman of the COMEX Governors Committee may result in the loss of a privilege against disclosure which otherwise would be available, or (ii) during

which the Board of Directors considers actual or potential litigation brought by the COMEX Governors Committee or any COMEX Division Member.

Section 310. QUORUM

A majority of the entire Board shall constitute a quorum. A majority of Directors present, whether or not a quorum exists, may adjourn any meeting to another time or place. Unless specifically provided otherwise in the By-Laws or any applicable law, any action taken by a vote of a majority of the Directors present at a meeting at which there is a quorum shall be the act of the Board.

Section 311. ACTION BY CONSENT

Any action required or permitted to be taken by the Board may be taken without a meeting if all of the Directors consent in writing to the adoption of a resolution authorizing such action. The resolution and the written consents of the Directors shall be filed with the minutes of the proceedings of the Board.

Section 312. TELEPHONE PARTICIPATION

One or more Directors may participate in a meeting of the Board by means of conference telephone or similar communications devices allowing all persons participating at the meeting to hear each other, at the same time. Such participation shall constitute presence in person at the meeting.

Section 313. [RESERVED]

Section 314. RULES OF ORDER

The Board shall have the authority to make rules governing its own conduct and proceedings.

Sections 315-349. [RESERVED]

Section 350. OFFICERS

The Board shall appoint a President, a Secretary and a Treasurer. The Board may appoint one or more Vice Presidents, and may classify such Vice Presidents, and may

appoint such other officers as the Board may determine. Any officer appointed under this Section may be removed by the Board, with or without cause. Any person may hold two or more offices. The officers of the Exchange (other than the Chairman, the Vice Chairman and the Treasurer) shall not be members of the Exchange nor, except in the case of the Chairman, the Vice Chairman of the Board and the Treasurer, need such officers be Directors. The officers shall have such powers and authority as may be specifically established by the Board.

Sections 351-359. [RESERVED]

Section 360. INDEMNIFICATION OF DIRECTORS, OFFICERS AND EMPLOYEES

(A) The COMEX Division shall indemnify to the maximum extent provided by law including, but not limited to, indemnification for judgments, fines, amounts paid in settlement, and reasonable expenses, including attorney's fees, any person made or threatened to be made a party to any action or proceeding, whether civil, criminal or administrative, by reason of the fact that such person, such person's testator or intestate is or was an officer, director, employee, member of any committee of the COMEX Division (including, without limitation, a member of the COMEX Division Governors Committee or a member of any regular committee or special committee) or served at the request of the COMEX Division in any capacity with any other corporation, any partnership, joint venture, trust, employee benefit plan, or other enterprise ("Covered Person"). In addition, the COMEX Division shall upon tender of an invoice, pay, to the maximum extent provided by law, the reasonable expenses (including reasonable attorney's fees and costs of counsel selected by the COMEX Division and reasonably satisfactory to the Covered Person, except that the COMEX Division may not exercise this right if the COMEX Division, NYMEX or any parent of NYMEX is the adverse party in the claim against the Covered Person) of defending any claim against a Covered Person as to which this Section 360(a) applies, pursuant to the requirements of NPCL Sections 723(c) and 725(a). Unless required to do so in order to comply with applicable law, the COMEX Division will not take any action under NPCL Section 725(b)(2), as such section exists on the effective date of this By-Law, which is inconsistent with this Section.

(B) Except as specifically permitted by applicable law, no person who is or was an officer, director, employee or member of any committee of the COMEX Division shall be indemnified in any way if such person has brought the action or proceeding against the COMEX Division, its officers, directors, employees or any member of any committee of the COMEX Division.

ARTICLE 4 COMMITTEES

(C) A Regular Committee shall have such powers as may be delegated to it in the By-Laws or Rules or by the Board; *provided, however*, that such powers shall in no case exceed the powers that the Board may delegate lawfully to an officer of COMEX Division.

(D) All Committees shall have all powers necessary and incident to the discharge of their duties.

(E) At least two COMEX members shall be entitled to serve on each COMEX advisory committee regarding COMEX Division contracts.

The Facilities Committee subcommittee relating to the COMEX Division will be responsible for initiating any changes to COMEX Division facilities; provided, however, that such changes will be submitted to NYMEX for its approval. This provision is subject to amendment to comply with any regulatory requirements imposed by the CFTC. If public participation is increased by NYMEX with respect to NYMEX subcommittees or panels, then public participation with respect to COMEX subcommittees or panels may be increased to the same extent.

(C) A Regular Committee shall be composed of such persons as the Chairman of the Board with the consent of the Board shall appoint; or, as the members may elect as provided in the By-Laws or Rules.

(D) Except as otherwise provided in the By-Laws or Rules, the Chairman of the Board shall appoint a Chairman of each committee and may appoint such vice chairman of any committee as he deems desirable.

Section 404. TERM OF COMMITTEES

Unless otherwise specifically provided in the By-Laws or Rules, members of any committee shall hold office until the first meeting of the Board following the annual meeting of members and until their successors are appointed.

Section 405. REMOVAL, RESIGNATION AND VACANCIES

(A) Unless elected by the members and except as otherwise provided in these By-Laws, members of Committees hold office subject to the discretion of the Board; a

member of a Committee elected or appointed by the Board may be removed with or without cause.

(B) A member of a Committee or of any subcommittee may resign at any time by tendering written notice of his resignation to the Chairman. Unless contingent upon acceptance, such resignation will be effective on the date specified, or if no date is specified, on the date tendered. A member of a Standing Committee or Special Committee shall cease to be a committee member upon the termination of his membership on the Board.

(C) The Chairman of the Board may remove with the consent of the Board, with or without cause, any chairman of a committee, vice chairman of a committee or any member of a committee whom he has appointed.

(D) In the event there is a vacancy on a Standing Committee, the Board may fill such vacancy. In the event there is a vacancy on a Special Committee or a Regular Committee, the Chairman, with the consent of the Board, may fill such vacancy.

Section 406. MEETINGS OF COMMITTEES

(A) The COMEX Governors Committee shall be responsible for advising the Board on matters uniquely pertinent to COMEX Division Members. The COMEX Governors Committee in its sole discretion shall also have such powers and responsibilities over the COMEX Division Members as are specifically assigned to it pursuant to these By-Laws and the Rules, including, without limitation, (i) the ability to levy assessments upon the COMEX Division Members when necessary to obtain independent legal or professional services to protect their interests, and (ii) the right to retain and use all funds over which it currently or in the future has control.

(B) Beginning with the annual meeting to be held in 2007, the COMEX Governors Committee shall consist of twelve members as follows: (a) seven (7) COMEX Division Members (each of whom shall be a COMEX Division Member who does not lease or license his membership) shall be elected by the 772 COMEX members (“Elected COMEX Governors”), and (b) five (5) other persons appointed by the NYMEX board, at least three of whom shall be COMEX Division Members who do not lease or license memberships. (E) Each Elected COMEX Governor will have the right to attend any COMEX Committee meeting (as noted in Sections 402(E) and (F)) in an advisory capacity.

A majority of members of the COMEX Governors Committee present, whether or not a quorum exists, may adjourn any meeting to another time or place. Unless specifically provided otherwise in the By-Laws, any action taken by a vote of a majority of the members of the COMEX Governors Committee present at a meeting at which there is a quorum shall be the act of the COMEX Governors Committee.

Removal pursuant to this Section 403A(B)(3) shall not be effective until the successor for such member of the COMEX Governors Committee is appointed and qualified. At the request of the Chairman of the COMEX Governors Committee, the Chairman of the Board of Directors shall appoint such successor to replace any member of the COMEX Governors Committee removed under this provision. Any such appointment shall be made and become effective on the earlier of ten (10) days following the request and a date for a meeting of the COMEX Governors Committee specified at the time of the request by the Chairman of the COMEX Governors Committee.
