

Special Executive Report

DATE: October 27, 2014

SER#: 7199

SUBJECT: Change Profercy Reference Price Name for Urea Swap U.S. Gulf (UFN)

Effective Sunday, October 26, 2014 for trade date Monday, October 27, 2014, The Board of Trade of the City of Chicago, Inc. (CBOT or Exchange) will amend the name of the Profercy reference price used in the Urea Swap U.S. Gulf (UFN). This is a name change only and is not a change in the historical underlying methodology used by Profercy. The Profercy reference for its Urea granular bulk (spot) assessment will change from "US Gulf ps ton fob" to "US Gulf pst fob to 30 days."

Additions to the Rulebook are shown in **bold underline**, while deletions are shown in ~~strikethrough~~.

Chapter 45

Urea (Granular) FOB US Gulf Swap

45102. Floating Price

The Floating Price for each contract month shall be based on price assessments for "Urea, granular bulk (spot): US Gulf ps ton fob" published weekly by ICIS during the contract month and price assessments for "Urea, granular bulk (spot): ~~US Gulf ps ton fob~~ **US Gulf pst fob to 30 days**" published weekly by Profercy during the contract month, as described in paragraph (A) below.

The remainder of the Rule is unchanged.
