

## Special Executive Report

---

**DATE:** October 5, 2015

**SER#:** 7471

**SUBJECT:** Delisting of Three (3) Natural Gas Futures Contracts

Earlier today, Monday, October 5, 2015, New York Mercantile Exchange, Inc. (NYMEX or Exchange) delisted TETCO ELA Natural Gas (Platts IFERC) Basis Futures contract as detailed in Exhibit 1 below. The delisting of this contract is a result of the Exchange's prior announcement on September 21, 2015, that the last listed contract month for this contract shall be October 2015.

### Exhibit 1

Contract	Rule Chapter	Globex Code	Clearing Code
TETCO ELA Natural Gas (Platts IFERC) Basis Futures	640	TEL	TE

The Exchange previously notified the Commodity Futures Trading Commission (CFTC) of the delisting of previously listed contracts months of this contract (NYMEX Submission No. 15-370 dated September 21, 2015). The CFTC will be notified of the delisting of these products during the week of October 12, 2015, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.

Also earlier today, the Exchange delisted the two (2) futures contracts as described in Exhibit 2 below. There was no open interest in the subject contracts in Exhibit 2.

### Exhibit 2

Contract	Rule Chapter	Globex Code	Clearing Code
Trunkline ELA Natural Gas (Platts Gas Daily) Swing Futures	706	TK7	K7
Trunkline ELA Natural Gas (Platts Gas Daily/Platts IFERC) Index Futures	837	M7	M7

These contracts were listed for trading on CME Globex and for submission for clearing via CME ClearPort.

As a result of the aforementioned delistings, information regarding these contracts have been deleted from the respective product rule chapters, related position limits in the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 (Trading Qualifications and Practices) of the NYMEX Rulebook, the CME Globex non-reviewable ranges located in Rule 588.H of the NYMEX Rulebook, and the list of block-eligible products located on the CME Group website.
