

Waivers and Indemnification Agreements for Trading Floor Access

In accordance with CME Group [Guidelines for Trading Floor Access](#), everyone accessing the trading floor is required to sign a waiver of liability. In addition, any member or firm with employees on the trading floor is required to sign an indemnification agreement.

For the convenience of our trading community, the agreements are being made available for execution through DocuSign, which provides for secure, electronic execution from a computer or mobile device. By simply clicking on the links below, members and employees of members will be guided through the process of executing the agreements. Copies of the executed agreements will be sent electronically to the signee and CME Group. Any questions regarding executing these agreements through DocuSign should be directed to TradingFloorWaivers@cmegroup.com.

As a reminder, access to the floor is governed by the [Guidelines for Trading Floor Access](#). Everyone accessing the floor should read and be familiar with the Guidelines.

WAIVER – TO BE COMPLETED BY EVERYONE ACCESSING THE TRADING FLOOR

Every member or employee of a member accessing the trading floor must click on the link below and execute a waiver. There will be no exceptions, and no one will be allowed on the floor unless an executed waiver has been received at least 48 hours in advance of accessing the floor. We encourage any firms or members with employees supporting trading in the Eurodollar Options pit to forward this link and be sure their employees have executed a waiver in advance of needing floor access.

After waivers and indemnification agreements are submitted, members and member firms will be able to set up appointments to see their new locations in the Eurodollar Options pit, adjust booth space, and test Telex connectivity. These appointments are expected to start July 27, 2020, and will be filled on a first-come, first-served basis. It is therefore in the interest of all members and their employees to return their waivers and indemnification agreements promptly.

No employees of members or firms will be allowed on the floor unless the executed indemnification agreement has been received from their employer at least 48 hours in advance of when the employee wishes to access the floor. This also applies to attendance at any trading floor appointment set beginning July 27, 2020.
