

Production Environment Access Request and Change Form – ECONNECT

This Production Environment Access Request and Change Form is being completed pursuant to (i) for trading participants, their customer agreement, or (ii) for independent software vendors, their applicable contract (in each case, the “Agreement”) between the applicable EBS Entity¹ (“EBS”) and

_____ (“Company” or “Customer”), pursuant to which Company accesses and uses the electronic interface and system operated by EBS.

Product, Policy and Pricing information can be found on the EBS Integration web page. Access requests for additional locations or more than one CME Globex Access Method must be made on additional Access Request Forms, which can also be obtained on the EBS Integration web page.

Company has caused this Form to be executed by its authorized representative, to be effective as of the date received by EBS.

By completing and returning this form, Company confirms that it agrees to the terms therein.

For questions, assistance or upon completion, contact [CME Global Account Management](#).

All personal information provided under this form will be used, distributed, and maintained in accordance with [CME Group's Privacy Policy](#). If completing this form on behalf of another individual, you will ensure that you have the required consent from those individuals to whom the personal information relates, or you satisfy an applicable legal basis for doing so, in compliance with all applicable laws, to enable CME Group to process such personal information.

¹EBS Service Company Limited (“EBSSC”), NEX SEF Limited (“NSL”) and BrokerTec Europe Limited (“BEL”) are each indirectly and wholly owned by CME Group Inc. and are an affiliate of Chicago Mercantile Exchange Inc., which maintains and operates various other electronic interfaces and systems, including, but not limited to, CME Globex, CME ClearPort, CME Direct, ConfirmHub, Risk Management Interface, Front End Clearing, Drop Copy and CME Account Manager. EBSSC offers the EBS dealing service in accordance with the EBS Dealing Rules. NSL is regulated by the U.S. Commodity Futures Trading Commission (CFTC) and U.K. Financial Conduct Authority (FCA) and operates the NEX SEF trading facility regulated as a Swap Execution Facility (as defined under the U.S. Commodity Exchange Act) and multilateral trading facility (as defined in the FCA Handbook). BEL operates and maintains the EBS UK MTF, regulated as a multilateral trading facility (as defined under the UK Markets in Financial Instruments (MiFID II) Directive) and is regulated by the FCA. For information on the products offered for trading on these platforms, please see the EBS website.

___ EBS Workstation – Client Managed ___ EBS Direct LCI ___ CME STP

New Connection Request (select one)

☐ EConnect Secaucus NY5/NY4 ☐ EConnect 165 Halsey/111 8th Ave. ☐ EConnect – NSP (skip to bottom of pg 5)

Is this request to connect via a third-party vendor? ☐ No ☐ Yes*

If Yes, please obtain the following information from your third-party vendor:

Name of third-party vendor: _____

Third-party vendor contact name: _____

Third-party vendor contact E-mail: _____

Third-party vendor EConnect site ID: _____ Connection type*: ☐ Dedicated ☐ Shared

**** If Dedicated, continue on to select a Network Access Option. If Shared, form is now complete.***

Network Access Option – EConnect Secaucus @ Equinix NY5 and NY4

Fiber handoff provides access to CME Group A and B Feeds via carrier circuits or cross-connects to NY5 and NY4. Customers are required to complete both NY5 & NY4 data center sections. Customers will receive two Letters of Authorization with demarcation points provided - one for NY5 and another for NY4. The minimum commitment period per connection is 12 months.

Interface/Handoff: ☐ 10G-LR (SMF) ☐ 1G-LH (SMF)

NY5 (A Feed)

☐ Co-located within this data center and will cross-connect to CME within the facility

Floor / Suite: _____ Cabinet / Rack: _____

If space is leased through a third party, please name: _____

☐ Not co-located here (Carrier circuit will be delivered) Carrier: _____

Cross-connects are the sole responsibility of the Customer. In the case where the Customer is not co-located, the Carrier must order the cross-connect for the Customer.

NY4 (B Feed)

☐ Co-located within this data center and will cross-connect to CME within the facility

Floor / Suite: _____ Cabinet / Rack: _____

If space is leased through a third party, please name: _____

☐ Not co-located here (Carrier circuit will be delivered) Carrier: _____

Cross-connects are the sole responsibility of the Customer. In the case where the Customer is not co-located, the Carrier must order the cross-connect for the Customer.

Network Access Option – EConnect @ 165 Halsey (NJ) and 111 8th Ave. (NY)

To ensure proper end-to-end circuit delivery, when Customers request quotes from their Carrier, the Carrier needs to include fees for any cross-connects required to reach CME's demarcation point which is located in Crown Castle Fiber space, on patch panels owned by Crown Castle Fiber.

Customers are required to complete both Halsey & 8th Ave. data center sections. Customers will receive two Letters of Authorization with demarcation points provided - one for 165 Halsey and another for 111 8th Ave. The minimum commitment period per connection is 12 months.

Interface/Handoff: ☐ 10G-LR (SMF) ☐ 1G-LH (SMF)

165 Halsey Street, NJ – Crown Castle Fiber Data Center (A Feed)

☐ Co-located within this data center and will cross-connect to CME within the facility

Floor / Suite: _____ Cabinet / Rack: _____

If space is leased through a third party, please name: _____

☐ Not co-located here (Carrier circuit will be delivered) Carrier: _____

Cross-connects are the sole responsibility of the Customer. In the case where the Customer is not co-located, the Carrier must order the cross-connect for the Customer. Note: Cross-connection to CME's demarcation point must be arranged/coordinated with Crown Castle Fiber.

111 8th Avenue, NY – Crown Castle Fiber Data Center (B Feed)

☐ Co-located within this data center and will cross-connect to CME within the facility

Floor / Suite: _____ Cabinet / Rack: _____

If space is leased through a third party, please name: _____

☐ Not co-located here (Carrier circuit will be delivered) Carrier: _____

Cross-connects are the sole responsibility of the Customer. In the case where the Customer is not co-located, the Carrier must order the cross-connect for the Customer. Note: Cross-connection to CME's demarcation point must be arranged/coordinated with Crown Castle Fiber.
