

## **Production Environment Access Request and Change Form – CME GLINK**

This Production Environment Access Request and Change Form is being completed pursuant to (i) for trading participants, their customer agreement, or (ii) for independent software vendors, their applicable contract (in each case, the “Agreement”) between the applicable EBS Entity<sup>1</sup> (“EBS”) and

\_\_\_\_\_ (“Company” or “Customer”), pursuant to which Company accesses and uses the electronic interface and system operated by EBS.

Product, Policy and Pricing information can be found on the EBS Integration webpage. Access requests for additional locations or more than one CME Globex Access Method must be made on additional Access Request Forms, which can also be obtained on the EBS Integration Webpage.

**Company has caused this Form to be executed by its authorized representative, to be effective as of the date received by EBS.**

**By completing and returning this form, Company confirms that it agrees to the terms therein.**

For questions, assistance or upon completion, contact [CME Global Account Management](#).

*All personal information provided under this form will be used, distributed, and maintained in accordance with [CME Group's Privacy Policy](#). If completing this form on behalf of another individual, you will ensure that you have the required consent from those individuals to whom the personal information relates, or you satisfy an applicable legal basis for doing so, in compliance with all applicable laws, to enable CME Group to process such personal information.*

<sup>1</sup>EBS Service Company Limited (“EBSSC”), NEX SEF Limited (“NSL”) and BrokerTec Europe Limited (“BEL”) are each indirectly and wholly owned by CME Group Inc. and are an affiliate of Chicago Mercantile Exchange Inc., which maintains and operates various other electronic interfaces and systems, including, but not limited to, CME Globex, CME ClearPort, CME Direct, ConfirmHub, Risk Management Interface, Front End Clearing, Drop Copy and CME Account Manager. EBSSC offers the EBS dealing service in accordance with the EBS Dealing Rules. NSL is regulated by the U.S. Commodity Futures Trading Commission (CFTC) and U.K. Financial Conduct Authority (FCA) and operates the NEX SEF trading facility regulated as a Swap Execution Facility (as defined under the U.S. Commodity Exchange Act) and multilateral trading facility (as defined in the FCA Handbook). BEL operates and maintains the EBS UK MTF, regulated as a multilateral trading facility (as defined under the UK Markets in Financial Instruments (MiFID II) Directive) and is regulated by the FCA. For information on the products offered for trading on these platforms, please see the EBS website.
