CME Group Volatility Index (CVOL™) Live Streaming & CME Group Petroleum Intraday Index

Due to a derivatives trading halt on certain CME exchanges, CME Group Benchmark Administration (CBA) is experiencing a lack of price discovery for derivative contracts which is impacting the real-time calculation and dissemination of CBA's Live Streaming indices, including CVOL Intraday Indices and the CME Group Petroleum Intraday Index.

CBA is working on resolving the situation and an update will be provided in due course.

CME Group Benchmark Administration Limited (CGBAL), Chicago Mercantile Exchange Inc. (including each of their respective subsidiaries and affiliates), their respective officers, directors, employees, agents, consultants and licensors shall not be liable to any person for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, and direct or indirect, incidental, consequential or punitive damages), arising from any errors or inaccuracies made in connection with the calculation or distribution of the CGBAL benchmarks or market data. The foregoing limitation of liability shall apply whether a claim arises in contract, tort, negligence, strict liability, contribution or otherwise and whether the claim is brought directly or as a third party claim. Furthermore, there is no guarantee of the continuity of the composition of the CGBAL benchmarks or market data, nor the continuity of their calculation, nor the continuity of their dissemination, nor the continuity of their calculation.
