The Event Determination Date is Tuesday, December 20, 2016. The Initial Processing Date for this Credit Event will be Friday, December 23, 2016.

*Event Determination Date (EDD)* – is the date on which the credit event was deemed to have occurred. The Event Determination Date is the key date that drives processing and the economics of the contract.

*Credit Event Initial Processing Date* – the date on which the daily coupon accrual will be calculated through the Event Determination Date. The coupon accrual will still be calculated into the daily variation margin until the Credit Event Final Processing Date.

*Note:* Since CME Clearing only offers index contracts there will be no single-name contract affected by this Credit Event, nor will there be a recovery swap made available for clearing on this single name.

Additional advisory notices will be published detailing the Auction and Final Processing dates.
