ADVISORY #: 17-265

SUBJECT: Reminder: CME CORE and CME Optimizer releases to support new IRS currencies INR and KRW

---

As a reminder, CME CORE and the CME Optimizer software are upgrading to support the launch of new IRS currencies INR and KRW on July 10, 2017. Firms participating in CME's portfolio margin program must upgrade to CME Optimizer version 11 on or before July 10, 2017 even if they do not plan to support the new currencies.

Please see the original CORE/Margin API advisory [here](#) and the original CME Optimizer advisory [here](#) for further details.
