

TO: Clearing Member Firms, Floor Brokers/Staff

FROM: CME Clearing

DATE: October 11, 2017

ADVISORY #: 17-394

SUBJECT: **Change to Chicago Broker Profile – “Traded As” May No Longer Be Updated**

Effective **Monday, October 23, 2017** users with Chicago Broker Profile access in FECPlus will no longer be able to update the “Traded As” field in the We Show/They Show search screen. This field denotes whether a trade was traded as an outright (O), as part of a spread (S), or as part of a legged spread (L). Users with Backoffice Profile in FECPlus will continue to have the ability to update this field. If the value must be changed, brokers/clerks must reach out to the appropriate clearing firm to make the change.
