

CME Group | Advisory Notice

TO: Clearing Member Firms

FROM: CME Clearing

ADVISORY #: 18- 148

SUBJECT: Final Reminder, Migration of CME Public FTP Site, April 7th

DATE: April 5, 2018

This is to remind our customers of CME ftp site: <ftp.cmegroup.com> migration to a new host this Saturday April 7th. The migration will take place at 8:00 AM CST. Firms are encouraged to test the site by connecting and downloading data files per normal any time after the cutover.

As outlined in our earlier notices, the site link, directories and subfolders will not change. Therefore, most users who access the site using the direct link <ftp.cmegroup.com> will not notice any difference.

Important: firms who require to include the site IP address need to update their firewall with the new IP addresses. Below are the current and new addresses for the public ftp site:

Current FTP Site IP:

- 216.178.212.20
- 208.39.78.6

New FTP Site IP:

- 13.57.171.25
- 13.57.174.25
- 52.7.201.185
- 34.199.179.189

Finally, with this migration, the FTP site will accept connections with Passive mode only. Customers connections with Active mode to the FTP site will be rejected.

This notice supersedes CME Clearing Advisory Notices 18-062, 18-093, 18-108 & 18-124 published on February 12th, March 5th, March 12th & March 22nd respectively.
