

 **CME Group** | Advisory Notice

TO: Clearing Member Firms

FROM: CME Clearing

DATE: September 11, 2018

ADVISORY #: 18-361

SUBJECT: **Self-Service CME Globex Test Trade Injector Tool**

In response to customer requests, CME Clearing is pleased to introduce a new self-service tool for firms to submit CME Globex test trades into the CME Clearing New Release (NR) and Certification (Cert) environments, effective September 11, 2018. The test trades are sourced from firms' own prior days CME Globex trades. The tool offers features filtering source trade criteria and customizable details on the injected trades.

Users must first have access to FEC+ in CME Clearing Cert and NR. To request access to either environment, please reach out to the EASE team at EASE.atyourservice@cmegroup.com or via phone at 312-436-1560.

Once the user has access to FEC+, please reach out to your Global Account Manager (GAM) who can assist you in obtaining access to the trade injector tool in CME NR/CERT Request Center.
