ADVISORY #: 19-008

SUBJECT: **OTC IRS Production Advisory – New DMS User Roles**

Please be advised that the new OTC IRS Operations Client User and Operations Dealer User for Deal Management Systems (DMS) are available in New Release since December 19 and will be available in Production on January 14. In addition to the existing Swaption Users supported today in DMS, clients of clearing firms and executing dealers may access new Operations user entitlements. Entitlements include scheduling compressions, updating Client IDs, and searching/viewing IR swaps in real-time.

For new Operations User access, please submit completed PDF form using below link to [onboarding@cme.com](mailto:onboarding@cme.com).
