

Advisory Notice

TO: Clearing Firms; Back Office Managers; CME Optimizer Users; CME CORE Users
FROM: CME Clearing
DATE: 7/20/2020
ADVISORY #: 20-277
SUBJECT: **Reminder: CME Optimizer Software Version 14 Release, Mandatory Upgrade Required by July 27, 2020**

As a reminder, the Optimizer software version 14 is currently available in the test environment; the production deadline is **Monday, July 27th 2020**. Firms who do not upgrade by July 27th will experience subsequent Optimizer failures. Please see [Advisory 20-214](#) for more details.

Please reach out to the CME CORE team at cme.core@cmegroup.com with any questions.
