ADVISORY #: 21-041

DATE: January 26, 2021

SUBJECT: OTC IRS & FX Production Advisory – DMS UI Update

CME will launch a new consolidated DMS UI for OTC IRS and OTC FX in the Production environment on Monday, February 8, 2021. All existing user roles and functions will be migrated to the new UI. The new interface migrates existing functionality and incorporates new enhancements summarized in Clearing Advisory **20-458**, linked below. These changes have been available in the New Release testing environment since December 2, 2020:
